

HOUSE OF REPRESENTATIVES—Tuesday, February 19, 1991

The House met at 12 noon.

The Chaplain, Reverend James David Ford, D.D., offered the following prayer:

We are conscious, O gracious God, of the momentous events that touch our lives in distant places, and we earnestly pray for those who work for peace and for those who bear the burden of war. May Your grace be sufficient for them and may Your spirit encourage them to be the people You would have them be.

And just as we remember the far off needs of our world, we remember those concerns near and dear to us.

On this day we recall the life of SILVIO CONTE and all that he meant to so many in this place. May his gift of spirit, his enthusiasm for life, and his concern for the needs of the people he represented remind us always of Your goodness and Your love and Your peace. We are thankful for his presence among us, and we pray that Your blessing will be with the family and all he loved, now and evermore. Amen.

THE JOURNAL

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from New Mexico [Mr. RICHARDSON] please come forward and lead the House in the Pledge of Allegiance?

Mr. RICHARDSON led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

MESSAGE FROM THE SENATE

A message from the Senate by Mr. Hallen, one of its clerks, announced that the Senate had passed a bill, joint resolution, and concurrent resolution of the following titles, in which the concurrence of the House is requested:

S. 379. An act to make certain technical amendments to the National and Community Service Act, and for other purposes;

S.J. Res. 58. Joint resolution to designate March 4, 1991, as "Vermont Bicentennial Day"; and

S. Con. Res. 10. Concurrent resolution to allow another member of the Committee on Rules and Administration of the Senate to

serve on the Joint Committee of Congress on the Library in place of the chairman of the committee.

The message also announced that pursuant to section 4(a)(1) of Public Law 101-499, the Chair announces, on behalf of the President pro tempore of the Senate and the Speaker of the House of Representatives, the appointment of the Honorable Lindy Boggs, to the Preservation of Jazz Advisory Commission.

MAKING IN ORDER ON WEDNESDAY, FEBRUARY 20, 1991, CONSIDERATION OF H.R. 153, VETERANS' JUDICIAL REVIEW ACT AMENDMENTS

Mr. MONTGOMERY. Mr. Speaker, I ask unanimous consent that it may be in order on Wednesday, February 20, 1991, to consider a motion to suspend the rules and pass the bill, H.R. 153, to make technical amendments to the Veterans' Judicial Review Act.

The SPEAKER. Is there objection to the request of the gentleman from Mississippi?

There was no objection.

COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER laid before the House the following communication from the Clerk of the House of Representatives:

WASHINGTON, DC,
February 7, 1991.

HON. THOMAS S. FOLEY,
The Speaker, House of Representatives, Washington, DC.

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 5 of Rule III of the Rules of the U.S. House of Representatives, the Clerk received at 9:53 a.m. on Thursday, February 7, 1991 the following message from the Secretary of the Senate: That the Senate passed without amendment H.J. Res. 30.

With great respect, I am,
Sincerely yours,

DONALD K. ANDERSON,
Clerk, House of Representatives.

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair desires to announce that pursuant to clause 4 of rule I, the Speaker signed the following enrolled joint resolution on Thursday, February 7, 1991:

H.J. Res. 30. Joint resolution to designate February 7, 1991, as "National Girls and Women in Sports Day."

THE NEW WORLD ORDER

(Mr. MAZZOLI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MAZZOLI. Mr. Speaker, first, and very briefly, because we will have special orders on behalf of our late colleague, SILVIO CONTE, but his death is not only a tragedy for his family, but for his State, and his Nation, and for all of us. He will be very much missed.

Mr. Speaker, we hear these days a great deal about the new world order, and that is a nice orotund, resonant phrase, but what does it really mean?

I think it really means two major things. One is that the new world order has internationalized the conflict in the gulf region, and it will, I hope and pray, internationalize the peace keeping and the reconstruction in that area once the war is over. I believe that we have to have coalitions both to prosecute the war and to solve the problems after the war is over.

The second thing a new world order does promise is the new alignments of nations, Mr. Speaker. We have the beginnings of some contact between Syria and Israel. We have the beginnings of contact between the United States and the Soviet Union. Mr. Speaker, I believe that the future can be very exciting so long as we keep our sight on the goal, which is to make sure that all of the conflicts and all the resolutions of those conflicts are internationalized.

INTRODUCTION OF TRANSPORTATION LEGISLATION

(Mr. COUGHLIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COUGHLIN. Mr. Speaker, while the attention of Congress is properly riveted on the events in the Persian Gulf, it is important that we move ahead with affairs here at home. I am today introducing four pieces of legislation which are important to our transportation industry and transportation safety.

The first would permit the Urban Mass Transit Administration to promulgate drug testing rules. The administration does not have that authority now. It is important for the safety of the traveling public.

The second would expand our Orphan Bridge Program to allow the use of Federal aged bridge replacement and rehabilitation funds for those bridges

which serve vehicular traffic with railroads and transit systems.

The third would allow the mass transit maintenance items to be expanded to include all supplies making it easier for mass transit systems to be funded by the Federal Government, and the fourth would require the States to establish and implement a safety program for fixed skyway mass transportation, a form of transportation which today has no safety regulations whatsoever.

Mr. Speaker, I hope this legislation will be considered by the appropriate committees and passed by the Congress.

HERE IN TRUTH WAS A MAN

(Mr. ANDERSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ANDERSON. Mr. Speaker, "He was born with the gift of laughter." This phrase, taken from the opening line of Rafael Sabatini's classic novel "Scaramouche" aptly describes our late beloved colleague and friend, SILVIO CONTE. But then there are so many complimentary and commendatory words and phrases that could and should and have been said of this magnificent gentleman. I would remind us all, however that amongst SILVIO CONTE's many attributes was his willingness to fight on the floor of this House for what he believed to be right. We came from different sides of the aisle, but I never failed to listen to his point, to hear his argument. Although I did not always vote with him, I never had any doubt that he knew and appreciated my opinion as I knew and appreciated his. It was a pleasure to work with him, and I will miss him as will we all.

At some distant time an historian will chronicle the work of the various Congresses in which SILVIO CONTE served. That historian will become well acquainted with the name "Conte." And from that distant perspective he will echo Shakespeare's tribute to another noble Roman, "Here in truth was a man!"

LABOR REFORM LEGISLATION MIGHT RESULT IN MORE STRIKES

(Mr. BALLENGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BALLENGER. Mr. Speaker, the Clay-Metzenbaum bill that would prohibit an employer from hiring permanent replacement workers during a strike is too radical.

In fact, this strike promoting measure was too radical even for the Carter administration to include in the fa-

mous labor law reform bill in the late seventies. When the AFL-CIO drafted the bill, it included a provision which would have prohibited permanent replacements in economic strikes during negotiations for first or second contracts.

But the Carter administration rejected that provision. Why? Because it would lead to more strikes, it would encourage unions to bargain to impasse on minor economic contract terms, and it would tilt the balance of negotiations and labor-management relations in the unions' favor. Those were the Carter administration's reasons for rejecting this bill.

If it was too radical then, it is too radical now.

HOUSE BEGINS CLOSED CAPTIONING FOR THE HEARING-IMPAIRED

(Mr. BONIOR asked and was given permission to address the House for 1 minute.)

Mr. BONIOR. Mr. Speaker, today, Mr. Speaker, the House begins captioning our proceedings for the deaf and hard of hearing. This marks a significant step to providing 24 million Americans with greater access to our democracy.

I would like to thank you, Mr. Speaker, and your staff along with the National Captioning Institute who worked so hard to bring this about.

The time is long overdue for the Cable News Network to come on board as well. CNN has become an indispensable source of news.

Many people in the deaf community have family and friends serving in the gulf—they should not be denied the latest news of the war.

SOVIET ATTEMPT TO SAVE SADDAM HUSSEIN SHOULD BE REJECTED

(Mr. COX of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COX of California. Mr. Speaker, the Gorbachev initiative to broker a cease-fire in behalf of Saddam Hussein is designed for one overriding purpose—to save Saddam Hussein.

I have just returned from the Soviet Union, where I met in the Kremlin with a number of Communist hardliners who are driving Soviet policy these days. There is no question that these men are angry because their former Communist satellites in Eastern Europe have now escaped communism. Now they see another Soviet client state, Iraq, about to be toppled by the West. These men in the Kremlin who created the Iraqi Government and created Saddam Hussein's military want this war ended before the Soviet-Iraqi military machine is destroyed.

Most of all, they want Saddam Hussein to remain in power.

Mr. Speaker, the Soviet Union, which contributed neither soldiers nor money to the war in the gulf, must not be permitted now to interfere with the allied effort to destroy the Iraqi dictator.

Mr. Speaker, I urge my colleagues soundly to reject Gorbachev's thinly disguised attempt to save Saddam Hussein.

REPORT FORTHCOMING ON BURDEN SHARING OF COSTS OF PERSIAN GULF WAR

(Mrs. SCHROEDER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. SCHROEDER. Mr. Speaker, very shortly the President will be bringing up the supplemental for what this war is costing. He will also be bringing up the estimates of what he hopes our allies will contribute.

Within the next 24 hours the gentleman from New York [Mr. MARTIN] and I will be releasing the results of our burden-sharing trip to both Korea and Japan, where we talked to our allies about doing their fair share of sharing the costs in the gulf. We explained that they have the luxury of debate; we do not. We explained that they owe us nothing. We are not talking about what they owe us; we are talking about what the world is going to look like if everybody does not contribute after they were allowed to vote and decide if it was the proper course.

In the next few days we are going to be seeing whether this new world order really is going to work or whether it looks like the same old world order in which the United States does it all and the United States continues to be the policeman for the world.

So it is going to be very interesting, and I hope people will look at this very intensive burden-sharing report we have prepared with our longstanding allies in the Pacific region and in which we are really only asking for some token amount of support when we consider what the United States has been putting forth. We do not want pledges; we want the real thing.

MONEYS FROM HIGHWAY TRUST FUND COULD BE USED TO COMBAT RECESSION

(Mr. GEKAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GEKAS. Mr. Speaker, we owe our troops in the front lines in Saudi Arabia the benefit of knowing that we here in the Congress continue to do our work and continue to grapple with the problems at home while they are performing their great duties for us in that far-away land.

There have been many, many calls now to create a jobs program to grapple with this recession that is in our midst. In my judgment, the best kind of jobs program we could create would be to loosen up the massive number of dollars that are bottled up in the trust funds of the highway system.

What better jobs program could there be than to put in an existing system of contractors and workers to do the bridges and the highway construction that we require to refurbish our infrastructure? If indeed we are going to meet this recession head-on and stop it before it gets worse, what better way than to release the highway funds now, all of them, by taking the whole trust fund off budget and allowing our highway system to be reincarnated as the great system it was planned to be and which it will be in the future?

AMERICANS SHOW PRIDE AND PATRIOTISM IN SUPPORT OF TROOPS

(Mr. GOSS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GOSS. Mr. Speaker, like many of my colleagues, I have just returned from a workweek in my district where I continue to be amazed by the extensive efforts of my constituents to express their support for our troops in the Persian Gulf. Everywhere I went, there were signs that Americans are proud of their fighting women and men and of their country—and that this pride is at an all time high. Streets lined with endless yellow ribbons, American flags flying from hundreds of homes and businesses, and countless signs and banners proclaiming support and encouragement for our troops.

These brave troops have left the safety of American shores to do what is best for America and indeed the world. They risk their lives daily for the ideals and principles that are embodied in the character of every American and that are symbolized by our flag. We at home must continue in our efforts and endeavor to make our patriotism worthy of their struggle and sacrifice. It is obvious from meeting with constituents of all ages and political beliefs that Americans share the ideals of freedom and justice. We are assured of the correctness of our purpose and the strength of our Nation's character. I urge my colleagues to support House Concurrent Resolution 44 in order to send the message to our soldiers that they are fighting for more than a piece of land and that Americans are proud to be represented by them.

NATIONAL ELLIS ISLAND DAY

(Mr. GUARINI asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. GUARINI. Mr. Speaker, January of 1992 will mark the 100th anniversary of the opening of Ellis Island as a doorway to immigration into this country. Today I am introducing legislation to commemorate January 1 as "National Ellis Island Day" in order to celebrate the importance of this great American symbol.

Over 40 percent of Americans today can trace their roots to ancestors who passed through Ellis Island. It is here that "the tired, poor, huddled masses" of immigrants from all over the world took their first steps on American soil, steps toward the dream of a better life for themselves and their families.

Since its opening last September, over half a million, 500,000, Americans have already visited the National Ellis Island Museum, walking through the same halls their ancestors had walked through, which processed some 12 million Americans "since January 1, 1892."

Ellis Island is a symbol of the hope for freedom and prosperity which America offered to the world in the past and continues to offer today. At a period when our Nation is in a state of war, setting aside a day such as this to honor Ellis Island serves to remind us of what we are truly fighting for.

Mr. Speaker, I ask my colleagues to join me in this landmark legislation.

COLOMBIA'S DRUG WAR

(Mr. GILMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GILMAN. Mr. Speaker, I rise today to express dismay and concern regarding the tragic state of affairs in Colombia. What had appeared to be progress in the Government's war against the drug cartels, was unfortunately only a lull in Colombia's brutalizing drug war.

Over the last week and a half, the Medellin cartel murdered two women who were being held hostage. These women were originally taken in order to extract further concessions from the Government. Mr. Speaker, permit me to remind this body that President Cesar Gaviria has already granted these drug lords exemption from extradition to the United States and lenient sentences for their crimes.

And just this last Sunday this same narcotics cartel was responsible for the explosion of a 450-pound bomb outside a crowded bullring in Medellin, causing the death of 22 people and injuring 170 more.

Mr. Speaker, I know this body and our Nation is consumed with the war we are waging against Iraq. But we must not neglect another war—our war against drugs. We must not neglect our

responsibilities in the Andean region and especially our responsibilities to the Colombian Government in our war against narcotics.

I know my colleagues join in denouncing the treacherous acts carried out by the Colombian drug cartels over the last few weeks. We hope that peace will soon prevail for the Colombian people and that their legitimate government will be victorious over the ruthless narcotics traffickers.

DEBT CRISIS FACES AMERICA

(Mr. DORGAN of North Dakota asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DORGAN of North Dakota. Mr. Speaker, this country faces twin challenges of the war in the Persian Gulf and an economic recession here at home. But I think there is another crisis confronting this country, and that is called a debt crisis.

Mr. Speaker, it does not matter so much what you hear on the floor of the House from this side or that side of the aisle, or what you hear from the President about the deficits and the debt. What is important is to look in the back of the budget document that was sent to us 2 weeks ago, and take a look at the gross Federal debt as projected in the 1990's in that document. Then you will find out what we are spending that we do not have.

Mr. Speaker, let me describe what you will find from 1990 to 1994, 5 fiscal years. The last one was actual, this year, and the next three.

It says that we will be required to increase our debt by \$1.7 trillion in those 5 years to accommodate the deficits of the first 5 years of the 1990's. That is over \$1 billion a day in spending that we do not have.

Mr. Speaker, this country is choking on deficits. It has a debt burden that is very difficult to bear. In just these 2 fiscal years, the increase in the interest on the debt will be \$40 billion a year. Interestingly enough, the gross debt requirement next year by the Federal Government will exceed defense spending next year.

Mr. Speaker, this country is confronted by a crisis of debt, and we must, Democrats and Republicans, the Congress and the President, decide that this is a crisis that affects our future, come together and do something about it, and soon.

CLOSED CAPTIONING: A DREAM COME TRUE

(Mr. GUNDERSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GUNDERSON. Mr. Speaker, I want to take this opportunity first of all to join the gentleman from Michi-

gan [Mr. BONIOR], my colleague on the Gallaudet University board of trustees, in saying thank you. Thank you to you, Mr. Speaker, for your leadership, and thank you to the National Captioning Institute for the Deaf for their efforts in making a dream become reality. For today marks the initiation of the captioning of all proceedings here in the House of Representatives.

Last year this Congress passed and the President signed into law the Americans With Disabilities Act to enhance the opportunities and to guarantee equal opportunities for all people, regardless of handicap. Today we are seeing a small part of the implementation of that right here in the House of Representatives.

Mr. Speaker, you can be proud of your actions. We are pleased with them. I also want to join Members in encouraging CNN to follow the example set by the House of Representatives.

BAGHDAD PETE, CALL HOME

(Mr. MCEWEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCEWEN. Baghdad Pete, call home. Your jaundiced journalism is getting a little boring, and since you and Mr. Saddam Hussein, to whom you have loaned the access of your telephone cables, are on such good terms, why do you not make that available to the people of Kuwait? Why do you not give the news about what is going on in Kuwait?

Assuming in World War II there would have been an organization willing to go into the bunker of Adolf Hitler, such as Ted Turner is willing to go into Baghdad, and assuming you could have found a journalist, the very least he would have done, with any respect at all for his own reputation, would be to report on what was happening in Auschwitz, and Dachau, and Buchenwald.

So, Baghdad Pete, if you are going to report from Iraq, then let us hear a little something from the 19th Province. Interview that fellow that had to bury those 70 babies that were thrown in the corner when they took them out of their incubators and threw them on the floor and hauled them back to Iraq.

Let us have a little news about what has been going on in the war zone, and not just the propaganda that Baghdad manipulators want to have spread across the American television. Let us have the whole story. Let us have the rest of the story.

AUTHORIZED LOAN GUARANTEES TO ISRAEL DESPERATELY NEEDED

(Mr. SCHUMER asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. SCHUMER. Mr. Speaker, I rise to speak of a matter of some urgency, and that is the \$400 million that Congress voted for loan guarantees for the State of Israel last May. These loans are desperately needed, because there are thousands and thousands of Soviet emigrants who are streaming into Israel, and, as the Scud missiles fall, they still must be housed and taken care of.

This Congress, recognizing that, has voted for the loan guarantees. Yet the delay continues.

Twenty-nine Members and I signed a letter to Secretary Baker a month ago; still the delay continues. I was distressed over the weekend, Mr. Speaker, to learn that tensions between the United States and Israel had heightened over this issue. Ambassador Shoval, and the Israeli Ambassador to the United States, knows how crucial these loan guarantees are, and he is frustrated that they are not there.

Putting aside the etiquette of diplomacy, we must be sure not to make a mountain out of this molehill. This is simply a frank discussion between allies, close allies, in this crucial time of war.

Again, my colleagues in Congress, we cannot let the Ambassador's voice be the only one raised here. We have to be the strongest voice, to urge the President to release these loan guarantees once and for all. It is the right thing to do. This Congress has helped the release of thousands and thousands from the Soviet Union—Jews, Christians—Pentecostals, with our legislation. Now, to not provide these loan guarantees, which are so desperately needed, to house the people left, would be a terrible and tragic mistake.

Mr. Speaker, I say to the President and to this body, that these guarantees should be released now, without delay, without any more requests for facts, and without any further politicking.

TRIBUTE TO THE LATE HONORABLE SILVIO CONTE

(Mr. NICHOLS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. NICHOLS. Mr. Speaker, I am a brandnew freshman Congressman, and I want to say a few words about one of the veteran Congressmen who impressed me and befriended me almost more than any other—SIL CONTE.

I met him first at the opening Republican Conference when I was scrambling for tickets to the swearing-in ceremony for people from Kansas who were coming to see me. "I've got one you can have," SIL said. And, sure enough, he followed though, just be-

cause I asked him first and he kept his word.

From then on, in the bewildering maze of new people, new procedures and everyone going their own way, there was always this fellow, friendly and smiling to help reassure a beginner.

At a big dinner in Cambridge he was saluted by the higher-ups, but still he had a strong handshake and warm recognition for me. He sent me, and many others, a Gillette safety razor, championing his home industry.

You see, for me, SIL had that extra touch.

I knew SIL did the big things that made him a great Republican Congressman.

It's the little things he did that I would like his survivors to know about.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. MAZZOLI). Pursuant to the provisions of clause 5 of rule I, the Chair announces that he will postpone further proceedings today on the motion to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote is objected to under clause 4 of rule XV.

Such rollcall vote, if postponed, will be taken tomorrow.

CALLING FOR DISPLAY OF AMERICAN FLAG IN SUPPORT OF U.S. TROOPS IN THE PERSIAN GULF

Mr. BROOKS. Mr. Speaker, I move to suspend the rules and agree to the concurrent resolution (H. Con. Res. 44) calling upon the people of the United States to display the American flag in show of support for the U.S. troops stationed in the Persian Gulf region.

The Clerk read as follows:

H. CON. RES. 44

Whereas the people of the United States strongly support the nearly 500,000 United States troops stationed in the Persian Gulf region;

Whereas keeping troop morale high is an indispensable key to victory; and

Whereas the American flag is a patriotic symbol of both the United States and the values of its people: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That the Congress calls on the people of the United States to display the American flag in show of support for the United States troops stationed in the Persian Gulf region.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Texas [Mr. BROOKS] will be recognized for 20 minutes and the gentleman from Wisconsin [Mr. SENSENBRENNER] will be recognized for 20 minutes.

The Chair recognizes the gentleman from Texas [Mr. BROOKS].

Mr. BROOKS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am proud to bring to the floor of the House the resolution before us, which calls on the people of the United States to display the American flag in support of U.S. troops serving their country in the Persian Gulf.

This resolution is a small way of paying tribute to the 500,000 brave American men and women who are putting their lives on the line for all of us half way around the world. Most are active duty personnel for whom military service is a full-time occupation. Thousands of others are reservists and National Guardsmen whose careers as doctors, lawyers, mechanics, farmers, and factory workers have been disrupted as they have answered their country's call to duty. Unfortunately, several have been killed and others are missing or held captive by Saddam. All, however, have distinguished themselves by their bravery, discipline, and commitment—and all deserve the support of the American people.

And what better way to demonstrate that support than by the proud display of the American flag—the foremost symbol of our unity as a people and as a nation. Whether unfurled in large main street ceremonies by civic groups, as they have done in my district, or flown from front porches, as it is at my house, car antennas, and mail boxes by individuals and families, the public display of Old Glory will send a simple, yet powerful and well-deserved message of support to our brave men and women in harm's way so far from home.

As we consider this resolution, it is important to understand what this proposal is not about. Specifically, the issue before us is not whether intervention in the Persian Gulf by United States and allied troops was a wise policy decision. This House examined that issue last month and, after careful and extensive debate, voted to authorize the use of force to expel Saddam Hussein from Kuwait. Now, with our troops in the field and under fire, we are united in our support for them and in our appreciation for their bravery and sacrifice.

Mr. Speaker, I commend the gentleman from Florida [Mr. SHAW] for introducing this resolution and the gentleman from Wisconsin [Mr. SENSENBRENNER] for his support, and urge my colleagues to support it.

Mr. Speaker, I reserve the balance of my time.

Mr. SENSENBRENNER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of this concurrent resolution and associate myself with everything the gentleman from Texas [Mr. BROOKS] has had to say in support of this particular measure.

The flag of the United States of America has been a symbol of national

unity ever since Betsy Ross created the first stars and stripes on June 14, 1777.

I have been amazed at how unified the American people have become behind our troops after hostilities broke out on January 16. What better way could the American people show their support for the American troops in the Persian Gulf doing their duty of defending their country than to display the flag of the United States of America?

Let us face it, fighting a war in a desert is not an easy task, and the entire Congress, regardless of their philosophical bent toward whether it was advisable to send troops over there or not, are behind our troops 100 percent. I think that this concurrent resolution will be a tremendous morale builder as the television pans the streets and highways and byways of this great country and they show Old Glory flying from in front of every house, in front of every office building, in front of every school, being proudly displayed by millions of Americans who support our troops.

I express my appreciation to the gentleman from Florida [Mr. SHAW] for introducing this concurrent resolution. I think this is the least that the Congress can do to show the troops of the United States that we are behind them 100 percent, that we are praying that they get their job done as quickly as possible and come home safely to the heroes' welcome they so richly deserve.

Mr. BROOKS. Mr. Speaker, I yield 1 minute to the distinguished gentleman from California [Mr. DON EDWARDS], the ranking Democrat of the Committee on the Judiciary.

Mr. EDWARDS of California. Mr. Speaker, I thank the gentleman for yielding me this time.

Mr. Speaker, I commend the distinguished chairman of the Committee on the Judiciary for bringing this bill before us today. We join today in proud display of our flag and in support of the young men and women who are serving our country today in the Persian Gulf.

Americans have never had to be told to be patriotic. The American people are patriotic. All over the country proud citizens are displaying the flag of the United States and draping yellow ribbons in honor of our young soldiers.

Requests received in our offices for flags have never been greater. In fact, I understand the demand has far outstripped the available supply here in the House of Representatives.

I applaud the American people and encourage them to continue to display the flag in honor of our troops.

I urge the House to adopt House Concurrent Resolution 44 in this regard.

□ 1240

Mr. SENSENBRENNER. Mr. Speaker, I yield 2 minutes to the gentleman from Ohio [Mr. OXLEY].

Mr. OXLEY. Mr. Speaker, I am pleased to rise as a cosponsor and supporter of the resolution being considered today. It is clearly an instance where the Congress is following the lead of the American people and their love of country.

One example of this type of patriotism is in my hometown of Findlay, OH. Findlay has long been a patriotic town and holds a congressional designation as Flag City, U.S.A. The community of Findlay has initiated an adopt-a-flag program to line Main Street and other downtown thoroughfares with flags. The flags and flagpoles are being purchased by businesses, individuals, schools, and services groups who adopt a flag. The community leaders who are guiding this effort hope to raise enough money to purchase 500 flags.

I have said before there are few things more beautiful and more inspiring than hometowns in America's heartland lined with the red, white, and blue.

I am pleased to support the resolution today in the hopes that it will also inspire others to fly the flag with pride.

Mr. BROOKS. Mr. Speaker, I yield 1 minute to the distinguished gentleman from Florida [Mr. HUTTO].

Mr. HUTTO. Mr. Speaker, I rise today in support of House Concurrent Resolution 44. With the possibility of a ground war approaching, the men and women in the Persian Gulf are all in our thoughts and prayers. As Operation Desert Storm enters this very critical stage, it is even more important than ever for us to unite behind the approximately 500,000 troops serving our country in the Middle East, and that's why I am backing today's resolution urging all Americans to display the American flag in support of these gallant men and women.

A show of solidarity, not only for freedom's cause but also for those who are bearing the burden to advance the principles on which our country was founded, will surely strengthen the soldiers, sailors, and airmen who are fighting for liberty and against tyranny and aggression. I urge your support for House Concurrent Resolution 44.

Mr. SENSENBRENNER. Mr. Speaker, I yield 2 minutes to the gentleman from New Hampshire [Mr. ZELIFF].

Mr. ZELIFF. Mr. Speaker, I rise today in strong support of House Concurrent Resolution 44. It offers us one more opportunity to unify proudly as a nation and display our treasured symbol, our American flag, in honor of our brave young men and women serving in the Persian Gulf.

They, through their sacrifice and with their strength and determination, are truly the ones who are winning this great war, defeating Saddam Hussein.

In our communities, with rallies, yellow ribbons, and CARE packages we

help display our overwhelming support for our American troops overseas.

Two weeks ago I was in Manchester, NH. We had 5,500 people in Veterans' Park downtown with 300 trucks and trailers circling that city. In my life, I have never felt such a great sense of emotion and patriotism.

CNN, unfortunately, does not feel that this is a noteworthy event, and I think it is unfortunate, but this kind of support, so crucial to the morale of the men and women overseas, does unify our Nation, reinforcing our cause to eject Saddam Hussein from Kuwait.

By coming together from all walks of life and displaying the flag, our common bond and symbol of our values and freedom and liberty, we are able to express our strength, pride, and determination as a nation and salute those who put their lives on the line. Our troops are making the ultimate sacrifice. We owe them our wholehearted support.

I also would like to hope and pray that come this Memorial Day this will be put behind us and we will get on to some other important business, but I would like to see the greatest hero's welcome that this country has ever seen this coming Memorial Day, May 30.

Mr. SENSENBRENNER. Mr. Speaker, I yield 2 minutes to the gentleman from New York [Mr. GILMAN].

Mr. GILMAN. Mr. Speaker, I am pleased to rise to lend my strong support to House Concurrent Resolution 44, calling upon the American people to display the flag in support of our troops serving in the Persian Gulf, and I commend the gentleman from Texas, the distinguished chairman of the Judiciary Committee, Mr. BROOKS, and the gentleman from Florida, Mr. SHAW, for bringing this measure to the floor in this timely fashion.

By displaying the flag, we Americans at home can proclaim our support for the 500,000 brave men and women of our Armed Forces involved in armed conflict.

Mr. Speaker, over the past month we have all been glued to our TV sets intently observing the fast moving events over the past few days. What has been most impressive to all of us is the courageous manner and the outstanding competence of our brave men and women fulfilling their responsibilities in our Armed Forces.

Clearly, our Armed Forces are the cream of the crop. Our men and women represent the best trained force that our Nation has seen. Our hearts swell with pride when we see how impeccable and effective their performance has been.

During the present district work period I had the honor of participating in several "Support Our Troops" rallies in my 22d Congressional District in Monroe and Warwick in Orange County and in Suffern in Rockland County. It did

my heart good to observe the strong, unified support for our dedicated men and women of our armed services.

We pray that Saddam Hussein will choose the wise course and abandon his brutal stance, turning toward peace.

As we support this resolution, our thoughts and prayers have been and will continue to be with our brave men and women of our Armed Forces serving our Nation in the Persian Gulf, dedicated to bringing freedom to the people of Kuwait.

Mr. SENSENBRENNER. Mr. Speaker, I yield 5 minutes to the gentleman from Florida [Mr. SHAW], the original author of this resolution.

Mr. SHAW. Mr. Speaker, let me begin by thanking the distinguished chairman of the Judiciary Committee, JACK BROOKS, the distinguished ranking minority member, HAMILTON FISH, and the fine staff of the Judiciary Committee for the hard work they have done in order to bring this resolution to the floor. I would also like to thank the House leadership for bringing this resolution to the floor so quickly.

Mr. Speaker, last month in an historic debate, we in Congress voted to provide the President with the authority to use whatever means necessary to force Iraqi troops from Kuwait.

During that difficult debate, many of us thought long and hard about whether we wanted to send our sons and daughters, our brothers and sisters, our friends and neighbors, into battle.

Finally, in one of the most difficult decisions we will ever have to make, we decided as a Congress to provide the President with that authority.

On January 16, shortly after that decision, the President, with our support and the support of the American people, called our service men and women into action.

At that point, no matter what our personal views were, we set aside our differences and joined together in support of our President and the decision he made.

Mr. Speaker, by our vote, the President knows that we support him.

The American people have spoken as well. In poll after poll, they have stated their overwhelming support for our President.

Now we must send that same message to our brave men and women overseas in the Persian Gulf.

What better way to send that message, than by encouraging citizens to display the American flag.

The American flag has long been a symbol of the ideals that we hold dear. As Charles Evans Hughes wrote:

It is the symbol of our national unity, our national endeavor, our national aspiration.

It means America first; it means an undivided allegiance. It means America united, strong and efficient, equal to her task. It means that you cannot be saved by the valor and devotion of your ancestors, that to each generation comes its patriotic duty; and that upon your willingness to sacrifice and en-

dure—as those before you have sacrificed and endured—rests the national hope.

This is the message that we want to send to our troops.

I have sons and daughters of my own, every day I think about our troops in the Persian Gulf. My prayers go out to these brave young men and women and their families.

I also think about the great organizations—like Operation Home Front, a group of mothers, fathers, daughters, sons, brothers, sisters, husbands, and wives of our brave soldiers—that have been set up to support our troops and their families in this time of need.

It has been truly heartwarming to see the American people unite and rally around our troops and show them how much we appreciate what they are doing for us.

During the Vietnam war we made many mistakes. One of the biggest mistakes was in our treatment of our service men and women who were called into duty.

I want to make sure that does not happen again.

The American people have voiced support for our troops in the gulf. Yet every day, when I turn on the TV, I see pictures of people in front of the White House—or pictures of people in front of the Broward Federal Building in downtown Fort Lauderdale—protesting the war and protesting against our troops. This disturbs me.

It sends a terrible message—a false message—to our troops overseas.

If the few minutes of news they see every day reflects a picture of unrest and protest at home, it causes those brave soldiers to question the American people's resolve and their own resolve.

Let us not let this message get through to our troops.

Let us let them know that we are behind them and that we support what they are doing.

Let us let them know that we are grateful for the sacrifices they are making for world peace.

By passing this resolution, let's send them a strong, clear message that the American people are united in their resolve to support our men and women in the gulf.

By encouraging the American people to display the flag until our troops return, we can say to our troops:

We are very proud of you and grateful that you are serving our country. We appreciate your sacrifice. We support you, we thank you, and we wish you well.

Keep making us proud and we hope that you come home safe and soon.

Mr. BROOKS. Mr. Speaker, will the gentleman yield?

Mr. SHAW. I yield to the gentleman from Texas.

Mr. BROOKS. The gentleman was en route hurrying in for this consideration when we first brought this bill up, but at that time I commended the gentleman for his dedication to America. I know the best test is that the gentleman even likes to play dominoes.

Mr. SHAW. Mr. Speaker, I would like to thank the chairman as I did before, for seeing that this got to the floor the way it did, and as a friend I certainly want to thank the gentleman for his great patriotism, and what the gentleman has accomplished through his many years here in the Congress.

I want to also thank my legislative assistant Brian Margulies for his fine work in the drafting and passage of this resolution.

Mr. BROOKS. Mr. Speaker, I yield 3 minutes to the distinguished gentleman from Texas [Mr. WASHINGTON].

Mr. WASHINGTON. Mr. Speaker, I thank the distinguished chairman for allowing me the opportunity to speak and thank Mr. SHAW and the cosponsors of the resolution for offering it.

While it is appropriate that we honor our Nation and our brave servicemen and servicewomen in the Persian Gulf by flying the flag here at home, our commitment must not stop there.

When the war is over—when the flags stop flying and the yellow ribbons come down—we must also support our troops when they come home.

I call on my colleagues to pass legislation, at the appropriate time, to establish a Comprehensive Persian Gulf GI Bill of Rights.

A typical American soldier serving in the Persian Gulf has the following characteristics:

He or she is:

Twenty-three years old; has at least a high school education;

A little less than half (44 percent) are married;

About one-fourth to one-third have children.

These men and women will have many needs as they return to civilian life.

They'll need jobs.

They'll need housing.

They'll need educational assistance.

They'll need health care.

They'll need child care.

These days unemployment at home spirals toward heights that resemble those of a depression. Historically, it has been extremely difficult for veterans to secure employment after their service to our Nation. This sad fact has been true for all of our wars. At a time when many of our soldiers in the gulf are women or members of minority groups, at home these same individuals face discrimination on the job.

It is clear that our housing system needs to be rehabilitated. Since 1980, the Federal Government has spent poorly on the poor. The middle income, not to speak of the poor and homeless, cannot afford to buy decent homes. The

median price of a home in the United States is \$91,000. At this price, the average infantry man or woman cannot afford to live off-base after being discharged, even with the generous benefits that the armed services provide. We need to provide real housing alternatives for our people. In our Nation, no one should be forced to live in crowded, unsafe quarters. Housing should be affordable for everyone.

The average person in the Persian Gulf is better educated than the average person in the street. At least 92 percent of all of our troops have a high school diploma. However, we need to address the over 35-percent cut in education grants, loans, and subsidies since 1980 that unfortunately made the military the only option for many of our men and women in the first place. The military only filled a vacuum that Congress created in the first place. We need to provide real educational options for our Nation's young people.

More and more I hear of cases where mothers are shipped off to war; many are single parents. Fathers miss the births of their children. And in wartime, I guess this is understandable. What we need to concern ourselves with is the situation upon their return. Are we going to provide them with safe, affordable child care when they return? While it is OK for grandma and grandpa to take care of the children while the parents serve in the gulf, the big issue is, What are we going to do when they come back?

After our last war, the first counseling center for post-traumatic stress syndrome was not established until 1980. During the last Congress, we have seen the difficulty of dealing with the problems of agent orange. Are we going to fully address—not just the physical health—but mental health of our troops? I mean the families, children, fiancées, husbands, and wives who are left behind? The children of our troops are showing many of the negative signs of the stress of their parents being away.

Let us not waste the time of our Nation and of our troops. Although I believe that the gentleman's legislation is laudatory, I am pressing for much more. I call for a Comprehensive Persian Gulf GI Bill of Rights. What needs to be answered are not just the real needs of our people here, but some unfinished business that we left behind.

Our troops need symbolic support now. In addition to the symbolic support we give our troops by the passage of this resolution, let the Congress and the Nation give substantive support to them by providing jobs, housing, educational assistance, health care, and child care; something they need when they return.

Mr. SENSENBRENNER. Mr. Speaker, I yield myself 2 minutes.

Mr. Speaker, so that the membership and the public are not misled as a re-

sult of the previous speaker's actions, I would like to say that it has been very clear that one of the principal concerns of this Congress, since the outbreak of war, has been to improve veterans' benefits so that those who do return home from the Persian Gulf will be protected and will not be forgotten as the Vietnam veterans were when they came home.

I have in my hand a calendar of the U.S. House of Representatives for today's session. I think it is interesting that of the 10 measures that have been reported from committee and are considered by the House of Representatives since the beginning of this Congress, which have the force of law if enacted, seven of them relate to improving veterans' benefits and increasing the protections offered to those who have been called to the service of their country through the mobilization of the Reserves and the National Guard troops.

I commend the gentleman from Mississippi [Mr. MONTGOMERY] and the Committee on Veterans' Affairs for making this first order of business, and when our troops come back home from the Persian Gulf area, they will find awaiting significantly improved benefits than were given to any people who returned in any of the previous conflicts that the United States has gotten involved in.

So, Congress has made this a top order of priority.

I think that we can be proud of this record, and while it does not have anything to do with the resolution asking people to fly the flag in support of our troops, I believe it is important that the record be made clear.

Mr. WASHINGTON. Mr. Speaker, will the gentleman yield?

Mr. SENSENBRENNER. I yield to the gentleman from Texas.

Mr. WASHINGTON. I thank the gentleman for yielding. I agree with the gentleman 100 percent. As the gentleman knows, I oppose the resolution, but as the gentleman said on the television before I came over, once we start fighting, we have to be unanimous. We are one country.

We often forget the young people that come back, as the Congress and others, after Vietnam. Would the gentleman agree that we have to give not only symbolic support by flying the flag, by passing this resolution and flying the flag, but we must never forget them, when they come back, to make sure all their needs that they wouldn't have had, had they not volunteered in support of our country, be met by the Congress and by the Nation.

Mr. SENSENBRENNER. That is precisely my position and the position of every other Member of Congress, because all of the bills to which I referred, passed unanimously.

Mr. CHANDLER. Mr. Speaker, on Wednesday of last week, during the Lincoln Day re-

cess, I visited Longview, WA. Longview is an industrious, mid-sized timber town in the southwest portion of my State. I was there primarily to deliver the Lincoln Day address to a gathering of Cowlitz and Wahkiakum County Republicans.

As my wife Joyce and I drove through town that afternoon, we took note of a rather remarkable sight. House after house, block after block, the residents of Longview proudly displayed an American flag in their windows. It was as if the entire town had been designated a parade route on the Fourth of July.

Later in the day, when I visited the longtime publisher of the Longview Daily News, Ted Natt told me his newspaper had printed the flag in its Friday, February 8 edition. The Daily News sought no sponsor for its printing, it simply was promoting patriotism by providing the flag as a public service to the people of Longview. And, the people responded by clipping "Old Glory" from their paper and proudly placing it in their windows for all to see.

They did so to show support for our troops and more specifically, for the 220 young men and women from their community currently serving their country in the Persian Gulf. And, they wanted to show their support for America and the values for which it stands.

Mr. Speaker, although I intend to support House Concurrent Resolution 44 today, I question its necessity. The people of Longview, WA and countless others in towns like theirs all across Washington State and this great country do not require a congressional resolution to prompt their patriotism. To the contrary, we in Congress should take note of the support for our troops in the Persian Gulf that quite clearly already exists in towns like Longview.

In that spirit, I want to commend the families of the brave young men and women in our armed services, and their neighbors for their patriotism. My thoughts and prayers are with them daily.

Mr. BROOMFIELD. Mr. Speaker, I want to add my strong support for House Concurrent Resolution 44, which calls upon the American people to display our flag as a show of support for U.S. troops stationed in the Persian Gulf.

America and the world owe an immeasurable debt to those brave men and women who have responded to their country's call to duty and are serving voluntarily in the Persian Gulf. They are making tremendous sacrifices—some will make the ultimate sacrifice—in the fight against the despotic tyranny of Saddam Hussein.

We have learned the hard way how important the support of the people back home is to the morale of those who are fighting for us. In Oakland County and across the country, rallies speak of the great pride, admiration, and gratitude Americans feel for our troops in the gulf. More than 10,000 participated in a recent demonstration in support of our troops at the Oakland-Pontiac Airport. People were turned away at the door because there just wasn't room to accommodate all of those who wanted to join in this public outpouring of support.

Individual Americans want to know what they can do. This resolution offers a simple step that we can all take to show Saddam that Americans are united. We can fly the flag—the

symbol of our Nation and its values—in support of our troops serving in the Persian Gulf. Like Francis Scott Key, our troops will be inspired by the knowledge that the Star Spangled Banner waves for them over homes across the land of the free and the home of the brave.

Mrs. LLOYD. Mr. Speaker, I rise in strong support of House Concurrent Resolution 44 which calls upon the American people to display the flag in support of the United States troops stationed in the Persian Gulf. This is a fitting gesture of love and respect for the service men and women who are serving our Nation so bravely and selflessly in Operation Desert Storm. To fly the flag proudly, in their honor, is certainly a timely and important effort.

The Americans serving in the gulf deserve our strongest support. They are our friends, our neighbors, our own family members and above all they are Americans committed to protecting the democratic values upon which our Nation stands. The flag has long been symbolic of America's leadership in the free world and our resolve to fly it in honor of our Armed Forces personnel should send a strong signal that all Americans are united in our support for them, that we will firmly stand behind them until their mission is completed, and that when they come home they will do so to the welcome of a grateful nation.

During the last several months many residents of my own congressional district have been deployed to the gulf region and in many cases have made tremendous personal sacrifices to do so. These men and women are the product of a community which has rallied behind them 100 percent and I am confident that the legislation before us today will lend itself to efforts such as theirs which are important to the morale of all our troops overseas. I hope that the house will adopt it with all possible speed.

Mr. FALEOMAVAEGA. Mr. Speaker, I rise in support of House Concurrent Resolution 44 calling upon the people of the United States to display the American flag in show of support for U.S. troops stationed in the Persian Gulf.

Mr. Speaker, there are more than 500,000 United States troops stationed in the Persian Gulf preparing to risk their lives to liberate Kuwait. Passage of this resolution calling for the display of our American flag would certainly help boost the morale of the troops and show American support.

Mr. Speaker, during this time of crises, when a ground war could commence at any time, I believe that regardless of one's political view of Operation Desert Storm, that we as a nation should support our troops that are deployed.

Mr. Speaker, I urge my colleagues to support House Concurrent Resolution 44.

Mr. SENSENBRENNER. Mr. Speaker, I yield back the balance of my time.

Mr. BROOKS. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. MAZZOLI). The question is on the motion offered by the gentleman from Texas [Mr. BROOKS] that the House sus-

pend the rules and agree to the concurrent resolution (H. Con. Res. 44).

The question was taken.

Mr. BROOKS. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 5 of rule I and the Chair's prior announcement, further proceedings on this motion will be postponed.

GENERAL LEAVE

Mr. BROOKS. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks, and include therein extraneous material, on House Concurrent Resolution 44, the concurrent resolution just considered.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

HANDICAPPED VEHICLES SUBJECT TO LUXURY TAX

(Mr. RICHARDSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks, and include extraneous matter.)

Mr. RICHARDSON. Today, I am introducing legislation that will correct an inequity facing the handicapped as a result of an oversight in last year's Budget Reconciliation Act. I am referring to the institution of the 10 percent luxury tax imposed on vehicles costing over \$30,000, and its impact on the handicapped.

Earlier this year, I was contacted by a constituent who was very concerned that the new luxury tax on automobiles would inadvertently penalize the handicapped. According to Independent Mobility Systems, Inc. of Farmington, NM, a company specializing in the conversion of minivans for use by the handicapped, it often takes expensive modifications and thousands of man-hours to meet the special needs of handicapped drivers.

The cost of adding wheelchair lifts, specialized steering units and mirrors, lowering floors, and modifying doors can easily add \$10,000 or more to the cost of a vehicle, pushing it over the \$30,000 luxury tax threshold.

I am sure my colleagues will agree that these vehicles are necessities to the hundreds of thousands of handicapped citizens who use them to get to work, go to the doctor, and for freedom of travel.

Because Congress did not intend to penalize the handicapped when it fashioned the luxury tax, we must act quickly to correct this inequity. My legislation will provide an exemption from the luxury tax for modifications, parts, and accessories installed on a vehicle to enable or assist the disabled to

operate that vehicle, enter or exit the vehicle, or compensate for the effects of their disability. The exemption is retroactive to January 1, 1991. I strongly urge my colleagues to join me in this effort.

Mr. Speaker, I would also like to include in the RECORD a letter I recently received from Mr. Greg Anesi, president of Independent Mobility Systems, who brought this critical issue to my attention. The letter outlines many of the concerns I have raised here today.

The letter follows:

INDEPENDENT MOBILITY SYSTEMS, INC.,
Farmington, NM, February 8, 1991.

Congressman BILL RICHARDSON,
Cannon House Office Building,
Washington, DC.

DEAR CONGRESSMAN RICHARDSON: On behalf of the Independent Mobility Systems and the hundreds of thousands of disabled Americans, I wish to express my thanks for your help and efforts in introducing a bill into Congress to exempt vehicles, built for the disabled, from the luxury tax law. I want you to know, I appreciate the help that your staff, particularly Carl McElhaney and Butch MacKee gave; and how quickly they responded to my request on this matter.

I was surprised and pleased that Senator Domenici introduced a bill yesterday also. While I was unaware of his intentions, the important issue is to help remove the barrier preventing the disabled citizen from contributing to our society. As you know, the ability to drive to work, or to the grocery store, is not a luxury. For disabled Americans, transportation is a necessity. The luxury tax served as an impediment to disabled people, to keep them from the work force or from leading active and normal lives.

We will be preparing some information to help you develop the appropriate wording, when you draw up the bill. I have talked extensively with Carl McElhaney and we should have that letter to you late next week. I will also be mentioning that in any press release. We are looking forward to releasing this information through industry periodicals, to the disabled community. They will especially appreciate your help in this matter.

When you come to Farmington, please stop by and visit our plant. I, and all of our employees, look forward to meeting you and acquainting you with the product that we build. I think you would be surprised to know what we are doing here, in Farmington, to help the disabled. Please bring Carl and Butch, if you are able. I would like to meet them also. I look forward to working with you to help change this law.

Again, I wish to thank you for your help. If we can be of any assistance with the bill, or in any other way, please feel free to ask.

Sincerely,

M. GREG ANESI,
Chief Executive Officer.

FIFTIETH ANNIVERSARY OF THE U.S. COAST GUARD RESERVE

(Mr. DAVIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS. Mr. Speaker, today is the 50th anniversary of the U.S. Coast Guard Reserve. On this occasion, I want to pay a special tribute to the proud and dedicated men and women of the Coast Guard Reserve.

In light of the events in the Middle East, it is especially fitting that we recognize the service performed by the men and women of the world's most distinguished lifesaving service. Coast Guard reservists have served alongside the other members of the multinational coalition since the beginning of Operations Desert Shield and Desert Storm. As part of Operation Desert Storm, mobile port security units consisting of approximately 300 Coast Guard reservists are performing port security functions with Navy mobile inshore underwater warfare units in three separate ports in the Persian Gulf. As of January of this year, Coast Guard reservists had intercepted hundreds of boats in those port areas and had seized a number of those vessels. Another 300 reservists are presently completing training to replace those 3 port security units.

Since the beginning of Operation Desert Shield on August 2, 1990, approximately 800 Coast Guard reservists have augmented Marine Safety Office and Captain of the Port commands in the United States to provide security and assistance to the Department of Defense in transporting military supplies to the Persian Gulf.

The Coast Guard Reserve began in World War II. On February 19, 1941, the Coast Guard Auxiliary and Reserve Act was enacted to provide a trained force of officers and enlisted members to enable the Coast Guard to perform emergency services. The Coast Guard Reserve was expanded on November 23, 1942, when the Women's Reserve, later called the SPARS, was formed as a branch within the Reserve. The members of the SPARS were integrated into the Coast Guard Reserve in December 1973. Today, men and women Coast

Guard reservists serve our great Nation with equal pride and distinction.

When the Coast Guard reached its peak strength of about 144,000 men and women during World War II, nearly 80 percent of them were Coast Guard reservists serving on active duty. An additional 45,000 members of the Coast Guard Temporary Reserve assisted with voluntary port security patrols of U.S. harbor areas.

The first organized or Selected Coast Guard Reserve unit was established in October 1950, at Boston, MA, in response to the increased responsibilities assigned by the Magnuson Act to the Coast Guard to protect the safety and security of U.S. ports, waterways, and waterfront facilities.

For the past 20 years, Coast Guard reservists have received much of their training by supporting regular Coast Guard peacetime missions. They perform most of the duties assigned to regular Coast Guard members, including service as boat crew members, operations center watchstanders, merchant vessel inspectors, hazardous cargo transfer operation monitors, waterfront facility surveyors, and vessel traffic controllers.

Coast Guard reservists supplemented the formal wartime mobilization requirements of the Regular Coast Guard in the Korean conflict, the Berlin airlift, the Cuban naval blockade, the Vietnam conflict, and the Grenada rescue operation.

The U.S. Coast Guard Reserve is the Coast Guard's primary source of trained personnel for protecting the safety and security of U.S. ports, waterways, and facilities from hostile threat. The Reserve is also responsible for protecting our ports and waterways from accidental or international damage, destruction, or injury during times of natural disaster or national emergency.

Members of the Coast Guard Reserve responded to major peacetime disasters, including the Mississippi Valley Basin flood of 1973; the 1978 Memorial Day oil spill in Mobile, AL; the 1980 Mariel Cuban refugee boatlift; the 1989 Exxon Valdez oil spill; Hurricane Hugo; and the 1989 San Francisco earthquake. They also supported security forces at the 1984 Olympics and provided water-side security for space shuttle launches off the coast of Florida.

February 19, 1991, marks the 50th anniversary of the Coast Guard Reserve. The U.S. Coast Guard has designated the period beginning February 19, 1991, and ending February 25, 1991 to commemorate the 50th anniversary of its Reserve and will observe the occasion with appropriate programs, ceremonies, and activities.

I ask my colleagues to join with me in paying tribute to the U.S. Coast Guard Reserve for its 50 years of proud and faithful service to the United States. We all share the pride and sat-

isfaction that the dedicated and committed men and women of the U.S. Coast Guard Reserve enjoy during the commemoration of this 50th anniversary of their service.

Mr. Speaker, today I will introduce legislation to increase the number of Coast Guard reservists to ensure that the Coast Guard is fully prepared to meet its national defense obligations in the future. This is the year to give this branch of the Coast Guard the support and funding it needs to continue its proud service to our Nation for the next 50 years.

NATION'S ENERGY PROBLEM NEEDS A POLITICAL SOLUTION

(Mr. ALEXANDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks, and include extraneous matter.)

Mr. ALEXANDER. Mr. Speaker, our Nation has an energy problem that needs a political solution. We have known for years that we have abundant energy resources that can produce ethanol, methanol, natural gas, liquefied petroleum, and electricity, all waiting for a political policy that emanates from Washington.

The U.S. Alternative Fuels Council, of which I am a member, has determined that we have the capacity to displace the dependence of 2 million barrels of oil per day, the amount that we import from the Persian Gulf region, by utilizing our own natural resources. We are told that this week the President intends to present the Nation and the Congress with an energy policy. Mr. President, we welcome this proposal. It is a step in the right direction, and any policy is better than no policy, which we have had for the last 10 years.

Mr. Speaker, as our troops fight in the Persian Gulf to protect an important part of our foreign oil supply, we in Congress await President Bush's energy plan for the Nation.

There is no more important business facing us than establishing a new direction for America's energy policy.

I am pleased to report that the U.S. Alternative Fuels Council on which I serve is currently working on a plan which will move us along the road to displacing Persian Gulf oil by expanding the use of farm grown ethanol and other alternate fuels.

By displacing oil from the Middle East—one of the most unstable regions of the world—we can help make America more independent and less vulnerable to the volatile politics practiced in the Persian Gulf.

I am happy to see the administration proposing a new energy strategy. During the last 10 years our policy has been basically to chase cheap crude, which has left us more and more dependent on foreign oil.

An energy policy of any kind is certainly preferable to no policy at all.

We were making progress following the oil shocks of the 1970's, but during the 1980's, we actually went backward by slashing spend-

ing for alternative fuel research and development.

I believe that the path our troops followed to the Persian Gulf was paved with the mistakes of the past decade.

Now, we seem to be moving again.

I am somewhat concerned, however, by news reports I have read based on advanced information concerning the President's new energy strategy.

Those concerns rest on the fact that, if the reports are correct, the strategy will continue to rely heavily on oil.

I believe we should move away from oil and toward alternative fuels such as ethanol, methanol, compressed natural gas, and clean coal.

The goal of expanded use of alternative fuels is attainable. We have the technology to succeed. We have the raw materials. We must now display the political will to reach the goal of breaking the shackles of foreign oil * * * shackles which now hold our economic, military, and foreign policy prisoner to the whims of madmen like Saddam Hussein.

Programs aimed at expanding the production and use of alternative fuels must be an important part of our new strategy.

Mr. Speaker, there is no greater support we can give our troops now serving in the gulf than to adopt an energy security policy for the Nation which will prevent them having to return to this region of the world.

RESOLUTION OF THE U.S. ALTERNATIVE FUELS COUNCIL, DECEMBER 12, 1990

Resolved, that the President, the Congress, and the private sector proceed forthwith to establish a national energy security policy for the commercialization of alternative fuels;

Be it further resolved, that the federal government should promptly take steps to assist the marketplace and remove impediments to the widespread commercialization of alternative motor vehicle fuels. Legislation and administrative action should carefully evaluate costs and benefits of alternative fuels, measures such as fuel economy incentives, tax incentives, research and demonstration, accelerated fleet purchases, cooperation with states and localities, and other steps. The program should make progress from year to year with a goal that, by the year 2005, alternative fuels will be used for at least 25 percent of all motor vehicle miles traveled. These alternative fuels should be derived from resources other than petroleum, and the steps taken to promote alternative fuels should be consistent with our environmental laws. The term "alternative fuels" in this resolution includes electricity, natural gas, methanol, ethanol, LPG, hydrogen, and nonpetroleum components of reformulated gasoline and diesel.

THE INTRODUCTION OF THE MARKETS AND TRADING REORGANIZATION AND REFORM ACT

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Kansas [Mr. GLICKMAN] is recognized for 5 minutes.

Mr. GLICKMAN. Mr. Speaker, one of the most pressing issues this Congress will consider is reforming our Nation's banking regulatory structure. As critical as this problem is, it is but one part of our total financial system. The United States is the world's preeminent fi-

nancial marketplace in large part because of our securities and futures markets, yet we are on the verge of the 21st century with a regulatory structure for these vital markets that was born in the 19th century.

Today, along with Messrs. ECKART, OLIN, and FRANK, I am introducing the Markets and Trading Reorganization and Reform Act to modernize our regulatory structure by ending the existing bifurcated system. This legislation, identical to the bill I introduced in the last Congress, will merge the Securities and Exchange Commission and the Commodity Futures Trading Commission into one new entity, the Markets and Trading Commission, that will oversee all trading in the securities, options, and futures markets.

This new entity will end the turf battles between agencies and the participants in the markets. It will close the regulatory gap which threatens the security of our markets and will set the stage for a new era of cooperation and coordination in our financial markets. To stay No. 1 in the world and to make sure our regulators focus their attention keeping U.S. markets safe, we must end the competition between regulators and make sure they are working together.

The Securities and Exchange Commission and the Commodity Futures Trading Commission were created 40 years apart. Then, the markets were distinct and trading in stocks and futures was far different than we know it now. The markets and the regulatory bodies existed separately with few, if any, of the linkages which characterize modern markets.

Today, however, a single keystroke can shift billions of dollars from the securities markets to the future markets. Modern technology and sophisticated trading strategies have torn down the lines between the markets. They are the same, and they function together as one financial market. Investors know that and have adapted; it seems that the only people who have not yet adapted are the Washington regulators.

When I introduced this legislation 1 year ago, many people said it was too much to do at once, that was a prescription too far reaching in its approach. Others argued instead that we should simply move bits and parts of one agency to the other. I disagree. We need to be bold, and reject the piecemeal approach. Indeed, one of the reasons our markets are the world's leader is because during the depths of the Depression, we were bold and we recognized that the primary role of the Government with respect to the financial markets is ensuring confidence and strength.

The competition our markets face from around the world is due, in part, to the fact that these other markets have modern regulatory structures. No other country in the world regulates its financial markets the way we do, and I dare say that if we were to start over again from scratch, we would not come up with the system we have. We would create one regulator, just as this bill will do.

At the same time we need to act to keep our international lead, we must also assure the U.S. investor that our markets are as safe as possible. One of the unfortunate trends we have seen in recent years is the fall off in the number of individual investors in the markets. This legislation, by closing the regulatory gap

which now exists, will move to ensure the highest level of confidence possible in our markets. Investors need to know that regulators are most concerned about working together, not in arguing about who has jurisdiction over what.

Last September, the Office of Technology Assessment issued a report, "Electronic Bulls and Bears: U.S. Securities Markets and Information Technology," that I want to call to my colleagues' attention as we consider this issue. In discussing the current bifurcated regulatory structure, the OTA noted:

*** Recurring jurisdictional struggles over new exchange products highlight one serious problem in the current regulatory structure. A more critical weakness is the ad hoc nature—and the basic uncertainty—of the coordination of safeguards against dangerous volatility and stress, across financial markets that are increasingly linked by technology, products, and hedging and arbitrage strategies. These two regulatory agencies take different positions on the possible causes of market volatility, how much volatility is dangerous, and what measures are justifiable as preventatives. While the interactions of linked markets are probably not fully understood, the implications of this linkage have become highly controversial and highly politicized . . . [and] this makes it less likely that the agencies will always be able to act with dispassion, speed, and coordination in emergencies. . . . A single agency would facilitate coordination, allow better consideration of intermarket relationships and interdependencies, and encourage a unified approach to ongoing cross-national efforts to strengthen clearing and settlement problems and harmonize regulations and enforcement relation to international securities trading.

Also last year, the administration, in testimony on this problem, noted that "we are now more likely to see minor events trigger major market disruptions . . . the time has come to reform the disjointed regulation of market governing stocks, stock options, and stock index futures." Although the administration recognized the underlying problems of the current fragmented regulatory structure, unfortunately it ultimately only supported what I call a piecemeal proposal.

I think the administration's diagnosis is right on target. Unless we move to make wholesale reforms in the way we regulate these markets, we run the risk of relatively minor shockwaves cascading across markets setting off a tidal wave of disruption. It is my hope that this Congress acts expeditiously on this legislation, described more fully in the attached section-by-section analysis, to ensure this does not happen.

Mr. BROOKS. Mr. Speaker, I hereby submit the rules of procedure for the 102d Congress which have been adopted by the House Committee on the Judiciary.

RULES OF PROCEDURE OF THE COMMITTEE ON THE JUDICIARY

Rule I. The Rules of the House of Representatives are the rules of the Committee on the Judiciary and its subcommittees with the following specific additions thereto.

Rule II. Committee Meetings.

(a) The regular meeting day of the Committee on the Judiciary for the conduct of its business shall be on Tuesday of each week while the Congress is in session.

(b) Additional meetings may be called by the Chairman and a regular meeting of the Committee may be dispensed with when, in the judgment of the Chairman, there is no need therefor.

(c) At least 24 hours (excluding Saturdays, Sundays, and legal holidays) before each scheduled Committee or subcommittee meeting, each Member of the Committee or subcommittee shall be furnished a list of the bill(s) and subject(s) to be considered and/or acted upon at the meeting. Bills or subjects not listed shall be subject to a point of order unless their consideration is agreed to by a two-thirds vote of the Committee or subcommittee.

(d) The Chairman, with such notice to the ranking Minority member as is practicable, may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to that call of the Chairman.

(e) Committee and subcommittee meetings for the transaction of business, i.e., meetings other than those held for the purpose of taking testimony, shall be open to the public except when the Committee or subcommittee, by majority vote, determines otherwise.

(f) Every motion made to the Committee and entertained by the Chairman shall be reduced to writing upon the demand of any member, and a copy made available to each Member present.

(g) In all subcommittee proceedings where a vote on a motion to report a bill to the full Committee results in a tie, such bill shall be reported to the full Committee without recommendation.

(h) For purposes of taking any action at a meeting of the full Committee or any subcommittee thereof, a quorum shall be constituted by the presence of not less than one-third of the Members of the Committee or subcommittee, except that a full majority of the Members of the Committee or subcommittee shall constitute a quorum for purposes of reporting a measure or recommendation from the Committee or subcommittee, closing a meeting to the public, or authorizing the issuance of a subpoena.

(i) A complete transcript shall be made of any full Committee meeting, or any portion thereof, upon the request of any Member of the Committee made before the close of business of the preceding day, excluding Saturdays, Sundays, and legal holidays.

Rule III. Hearings.

(a) The Committee or any subcommittee shall make public announcement of the date, place, and subject matter of any hearing to be conducted by it on any measure or matter at least one week before the commencement of that hearing, unless the Committee or the subcommittee before which such hearing is scheduled, determines that there is good cause to begin such hearing at an earlier date, in which event it shall make public announcement at the earliest possible date.

(b) Committee and subcommittee hearings shall be open to the public except when the Committee or subcommittee, by majority vote, determines otherwise.

(c) For purposes of taking testimony and receiving evidence before any subcommittee, a quorum shall be constituted by the presence of two Members. For purposes of taking testimony and receiving evidence before the full Committee, a quorum shall be constituted by the presence of 10 Members.

(d) In the course of any hearing each Member shall be allowed five minutes for the interrogation of a witness until such time as each Member who so desires has had an opportunity to question the witness.

Rule IV. Proxy Voting. A vote by any Member of the Committee, with respect to any measure or matter being considered in the Committee or in subcommittee, may be cast by proxy if the proxy authorization is in writing, asserts that the Member is absent on official business or is otherwise unable to be present at the meeting of the Committee, designates the person who is to execute the proxy authorization, and is limited to a specific measure or matter and any amendments or motion pertaining thereto; except that a Member may authorize a general proxy for motions to recess, adjourn or other procedural matters. Each proxy to be effective shall be signed by the Member assigning his or her vote and shall contain the date and time that the proxy is signed. Proxies may not be counted for a quorum.

Rule V. Broadcasting. When approved by a majority vote, an open meeting or hearing of the Committee or a subcommittee may be

covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage, subject to the provisions of House Rule XI, clause (3). In order to enforce the provisions of said rule or to maintain an acceptable standard of dignity, propriety, and decorum, the Chairman may order such alteration, curtailment, or discontinuance of coverage as he determines necessary.

Rule VI. Standing Subcommittees

(a) There shall be six standing subcommittees of the Committee on the Judiciary, with jurisdictions as follows:

Ex officio Members shall not be counted as present for purposes of constituting a quorum at any hearing or meeting of such subcommittee.

Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full Committee on all matters referred to it or under its jurisdiction. Subcommittee chairman shall set dates for hearings and meetings of their respective subcommittees after consultation with the chairman and other subcommittee chairman with a view toward avoiding simultaneous scheduling of full Committee and subcommittee meetings or hearings whenever possible.

Rule VIII. Non-Legislative Reports. No report of the Committee or a subcommittee which does not accompany a measure or matter for consideration by the House shall be published unless all Members of the Committee or subcommittee issuing the report shall have been apprised of such report and been given the opportunity to give notice of

intention to file supplemental, additional, or dissenting views as part of the report. In no case shall the time in which to file such views be less than three calendar days (excluding Saturdays, Sundays, and legal holidays).

Rule IX. Committee Records. The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule XXXVI of the Rules of the House of Representatives. RULES OF PROCEDURE FOR THE COMMITTEE ON THE DISTRICT OF COLUMBIA FOR THE 102D CONGRESS

(Mr. DELLUMS asked and was given permission to extend his remarks at this point in the RECORD and to include extraneous matter.)

Mr. DELLUMS. Mr. Speaker, I submit the rules of the committee on the District of Columbia for the 102d Congress, adopted at the committee's organizational meeting, February 6, 1991.

They are identical to the committee's rules for the 101st Congress.

RULES GOVERNING PROCEDURES OF THE COMMITTEE ON THE DISTRICT OF COLUMBIA, 102D CONGRESS¹

A. IN GENERAL

1. (a) The rules of the House are the rules of this committee and each subcommittee so far as applicable, except that a motion to recess from day to day and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are nondebatable motions of high privilege in the committee and subcommittees.

(b) The procedures applicable in the House as in the Committee of the Whole apply to this committee, except that a measure considered in committee must be read (by section) for amendment; a motion to limit debate under the 5-minute rule in committee must therefore be confined to the portion of the bill then pending, and the previous question may only be moved on the measure in committee if the entire measure has been read, or considered as read, for amendment.

(c) There shall be a motion for the previous question, which, being ordered by a majority of members voting, if a quorum be present, shall have the effect to cut off all debate and bring the committee to a direct vote upon the immediate question or questions on which it has been asked and ordered.

(d) Upon the offering of any amendment by a member, the committee clerk shall promptly transmit a copy to the official reporter and copies to each committee member in attendance.

2. Each subcommittee is a part of this committee, and is subject to the authority and direction of the committee and to its rules insofar as applicable. The rules of the committee shall be the rules of its subcommittees.

3. No major investigation by a subcommittee shall be initiated without approval of the

Chair of the committee or the majority of the full committee.

4. Any committee member, when recognized by the Chair, may address the committee on any bill, motion, or other matter under consideration before the committee. The Chair may limit to 5 minutes the time of any such member, after giving due consideration to the importance of the subject matter and to the length of time available. Any House Member not a member of the committee may testify as a witness at any hearing of the committee or a subcommittee, or may submit a statement for the official record.

B. REGULAR MEETING DAYS

1. The full committee shall have its regular meetings on the first Tuesday in each calendar month at 10 a.m. When the House is in recess, the regular monthly meeting of the committee may be dispensed with at the discretion of the Chair upon notice of such action to all members of the committee.

2. The committee shall meet, for the consideration of any bill or resolution pending before the committee or for the transaction of the committee business, on all regular meeting days fixed by the committee.

3. Subcommittee Chairs shall set meeting and hearing dates after consultation with the Chair and other subcommittee Chairs with a view toward avoiding simultaneous scheduling of committee and subcommittee meetings or hearings wherever possible.

C. ADDITIONAL AND SPECIAL MEETINGS

1. The Chair may call and convene, as he or she considers necessary, additional meetings of the committee for the consideration of any bill or resolution pending before the committee or for the conduct of other committee business. The committee shall meet for such purposes pursuant to that call of the Chair.

2. If at least three members of the committee desire that a special meeting of the committee be called by the Chair, those members may file in the offices of the committee their written request to the Chair for that special meeting. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the committee shall notify the Chair of the filing of the request. If, within 3 calendar days after the filing of the request, the Chair does not call the requested special meeting, to be held within 7 calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour of, and the measure or matter to be considered, at the special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

D. RANKING MAJORITY MEMBER TO PRESIDE IN ABSENCE OF CHAIR

If the Chair of the committee or subcommittee is not present at any meeting of the committee or subcommittee, the ranking member of the majority party on the committee or subcommittee who is present shall preside at the meeting.

E. COMMITTEE RECORDS AND ROLLCALLS

1. The committee shall keep a complete record of all committee action which shall include a record of the votes on any question on which a rollcall vote is demanded. The result of each rollcall vote shall be made available by the committee for inspection by the public at reasonable times in the offices of the committee. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and whether by proxy or in person, and the names of those members present but not voting.

A record vote in subcommittee may be had upon the request of any subcommittee member, and in full committee upon the request of any committee member.

2. Records of hearings before the committee shall not be available to the public for quotation of any member until after such member has had an opportunity to examine and approve such hearing records.

3. All committee and subcommittee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the Chair of the committee or a subcommittee; and such records shall be the property of the House and all Members of the House shall have access thereto.

4. The records of the committee at the National Archives and Records Administration shall be available in accordance with rule XXXVI of the rules of the House, except that the committee authorizes use of any record to which clause 3(b)(4) would otherwise apply after such record has been in existence for 5 years. The chairman shall notify the ranking minority member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the committee for a determination on the written request of any member of the committee.

F. PROXIES

A vote by any member in the committee or in any subcommittee may be cast by proxy, but shall be in writing, shall assert that the member is absent on official business or is otherwise unable to be present at the meeting of the committee, shall designate the person who is to execute the proxy authorization, and shall be limited to a specific measure or matter and any amendments or motions pertaining thereto; except that a member may authorize a general proxy only for motions to recess, adjourn or other procedural matters. Each proxy to be effective shall be signed by the member assigning his or her vote and shall contain the date and time of day that the proxy is signed. Proxies may not be counted for a quorum.

G. OPEN MEETINGS AND HEARINGS

1. Each meeting for the transaction of business, including the markup of legislation, of the committee or subcommittee shall be open to the public except when the committee or subcommittee, in open session and with a majority present, determines by rollcall vote that all or part of the remainder of the meeting on that day shall be closed to the public; *Provided, however*, that no person other than members of the committee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This paragraph does not apply to open committee hearings which are provided for

¹Adopted by committee, February 6, 1991, and printed in the Congressional Record.

by (2) of this rule, or to any meeting that relates solely to internal budget or personnel matters.

2. Each hearing conducted by the committee or subcommittee shall be open to the public except when the committee or subcommittee, in open session and with a majority present determines by rollcall vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered, would endanger the national security or would violate any law or rule of the House of Representatives; notwithstanding the requirements of the preceding sentence, or rule H. (2), a majority of those present (but not less than two members voting in the affirmative):

(A) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security or defame, degrade or incriminate any person; or

(B) may vote to close the hearing if testimony or evidence to be received would defame, degrade, or incriminate any person; *Provided, however*, that the committee or subcommittee may be the same procedure vote to close one subsequent day of hearing.

H. QUORUM

1. The number of members to constitute a quorum for the purpose of taking testimony and receiving evidence in full committee or subcommittee is two.

2. One-third of the committee or a subcommittee shall constitute a quorum for other meetings, except that a majority of the committee or subcommittee shall constitute a quorum for the purposes of reporting a measure and closing a meeting to the public.

I. CALLING AND INTERROGATING WITNESSES

1. Whenever any hearing is conducted by the committee or a subcommittee upon any measure or matter, the minority party members on the committee or subcommittee shall be entitled, upon request to the Chair of the committee or subcommittee by a majority of the minority party members before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

2. The committee and subcommittees shall apply the 5-minute rule in the interrogation of witnesses in any hearing until such time as each member of the committee or subcommittee who so desires has had an opportunity to question each witness.

3. Committee members may question witnesses only when they have been recognized by the Chair for that purpose.

4. All questions put to the witnesses before the committee shall be pertinent to the bill or other subject matter before the committee for consideration.

5. Insofar as is practicable, each witness who is to appear must file with the committee (in advance of his or her appearance) a written statement of the proposed testimony and limit the oral presentation at such appearance to a brief summary of his or her argument.

J. INVESTIGATIVE HEARING PROCEDURES

1. The Chair of the committee or subcommittee at an investigative hearing shall announce in an opening statement the subject of the investigation.

2. A copy of the committee rules and this clause shall be made available to each witness.

3. Witnesses at investigative hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

4. The Chair of the committee or subcommittee may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the full committee may cite the offender to the House for contempt.

5. Whenever it is asserted that the evidence or testimony at an investigatory hearing may tend to defame, degrade, or incriminate any person,

(A) such testimony or evidence shall be presented in executive session, if by a majority of those present, there being in attendance the requisite number required under the rules of the committee to be present for the purpose of taking testimony, the committee or subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person;

(B) the committee or subcommittee shall proceed to receive such testimony in open session only if a majority of the members of the committee or subcommittee, a majority being present, determine that such evidence or testimony will not tend to defame, or incriminate any person.

In either case the committee or subcommittee shall—

(a) afford such person an opportunity voluntarily to appear as a witness; and

(b) receive and dispose of requests from such person to subpoena additional witnesses.

6. Except as provided in subparagraph (5), the Chair shall receive and the committee shall dispose of requests to subpoena additional witnesses.

7. No evidence or testimony taken in executive session may be released or used in public sessions without the consent of the committee.

8. In the discretion of the committee or subcommittee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The committee or subcommittee is the sole judge of the pertinency of testimony and evidence adduced at its hearing.

9. A witness may obtain a transcript copy of his testimony given at a public session or, if given at an executive session, when authorized by the committee.

K. REPORTING BILLS AND RESOLUTIONS

1. No measure or recommendation shall be reported from the committee unless a majority of the committee was actually present.

On the question of ordering a bill reported whenever a recorded vote is ordered or the yeas and nays are ordered the Chair may, in his discretion, postpone further proceedings on each such question to a designated time or place in the schedule on that day.

2. Any committee member at a meeting of the full committee or any member of the subcommittee involved may make a point of order that a quorum is not present.

3. (A) Each committee report shall include in its text a statement of the reported legislation's intent or purpose, need, the results of motions to report, including number of yeas and nays, a 5-year cost estimate, oversight statement, inflationary impact statement, any statement required by sections 308(a) and 403 of the Congressional Budget and Impoundment Control Act of 1974, administration or departmental position (if any), and changes in existing law, in addition to such other provisions as the Chair deems necessary.

(B) If, at the time of approval of any measure or matter by the committee, any member of the committee gives notice of intention to file supplemental, minority or additional views, that member shall be entitled to not less than 3 calendar days (excluding Saturdays, Sundays, and legal holidays) in which to file such views, in writing and signed by that member, with the clerk of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter. The report of the committee upon that measure or matter shall be printed in a single volume which—

(1) shall include all supplemental, minority, and additional views which have been submitted by the time of the filing of the report, and

(2) Shall bear upon its cover a recital that any such supplemental, minority, or additional views (and any material submitted pursuant to the requirements of sections 308(a) and 403 of the Budget and Impoundment Control Act of 1974) are included as part of the report. This subparagraph does not preclude—

(a) the immediate filing or printing of a committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by this subparagraph; or

(b) the filing by the committee of any supplemental report upon any measure or matter which may be required for the correction of any technical error in a previous report made by the committee upon that measure or matter.

4. (A) It shall be the duty of the Chair of the committee to report or cause to be reported promptly to the House any measure approved by the committee and to take or cause to be taken necessary steps to bring a matter to a vote.

(B) In any event, the report of the committee on any measure which has been approved by the committee shall be filed within 7 calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the committee a written request, signed by a majority of the members of the committee, for the reporting of that measure. Upon the filing of any such request, the clerk of the committee shall transmit immediately to the Chair of the committee notice of the filing of that request.

L. POWER TO SIT AND ACT; SUBPOENA POWER

1. For the purpose of carrying out any of its functions and duties under these rules, the committee, or any subcommittee thereof, is authorized—

(A) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings, and

(B) subject to (2)(A) of this rule, to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents as it deems necessary. The Chair of the committee, or any member designated by the Chair, may administer oaths to any witness.

2. (A) A subpoena may be issued by the committee or subcommittee under (1)(B) of this rule in the conduct of any investigation or activity or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present, and authorized subpoenas shall be signed by the Chair of the full committee or by any member designated by the commit-

tee. When authorizing subpoenas, the committee may delegate to the committee Chair the responsibility of deciding what materials are to be listed in the subpoena and the names of the individuals or officials to be subpoenaed.

(B) Compliance with any subpoena issued by a committee or subcommittee under (1)(B) of this rule may be enforced only as authorized or directed by the House.

M. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

Whenever any hearing and meeting conducted by the committee or any subcommittee is open to the public, the committee or subcommittee may permit, by majority vote of the committee or subcommittee, that hearing and meeting to be covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage, but only under the following rules:

1. If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

2. No witnesses served with a subpoena by the committee shall be required against his or her will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off.

3. The allocation among the television media of the positions of the number of television cameras permitted by the committee or subcommittee Chair in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

4. Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

5. Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing or meeting by the other media.

6. Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee is in session.

7. Floodlights, spotlights, strobeflights, and flashguns shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing or meeting room, without cost to the Government, in order to raise the ambient lighting level in the hearing or meeting room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the then current state of the art of television coverage.

8. Not more than five press photographers shall be permitted to cover a hearing or meeting by still photography. In the selection of these photographers, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If requests are made by more of the media than will be permitted by the committee or subcommittee Chair for coverage of the hearing or meeting by still pho-

tography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

9. Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the members of the committee.

10. Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

11. Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents' Galleries.

12. Personnel providing coverage by still photography shall be then current accredited to the Press Photographers' Gallery.

13. Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

N. COMMITTEE STAFFS

1. Subcommittee staffs: From the funds provided for the appointment of committee staff pursuant to primary and additional expense resolutions of the House:

(A) The Chair of each standing subcommittee is authorized to appoint one staff member who shall serve at the pleasure of the subcommittee Chair.

(B) The ranking minority party member of each standing subcommittee is authorized to appoint one staff member who shall serve at the pleasure of the ranking minority party member.

(C) The staff members appointed pursuant to the provisions of subparagraphs (A) and (B) shall be compensated at a rate determined by the subcommittee Chair not to exceed (a) 75 per centum of the maximum established in 2(C) of this rule or (b) the rate paid the staff member appointed pursuant to 1(A) of this rule.

(D) No member shall appoint more than one person pursuant to 1(A) and 1(B) of this rule.

(E) The staff positions made available to the subcommittee Chair and ranking minority party members pursuant to 1(A) and 1(B) of this rule shall be made available from the staff positions provided under clause 6 of Rule XI of the House rules unless such staff positions are made available pursuant to a primary or additional expense resolution.

2. Committee staffs:

(A)(1) Subject to subparagraph 2(A)(2) of this rule and paragraph 2(D) of this rule, the committee may appoint, by majority vote of the committee, not more than 18 professional staff members. Each professional staff member appointed under this subparagraph shall be assigned to the Chair and the ranking minority party member of such committee, as the committee considers advisable.

(2) Subject to 2(D) of this rule, whenever a majority of the minority party members of the committee so request, not more than six persons may be selected, by majority vote of the minority party members, for appointment by the committee as professional staff members from among the number authorized by 2(A)(1) of this rule. The committee shall appoint any persons so elected whose character and qualifications are acceptable to a majority of the committee. If the committee determines that the character and qualifications of any person so selected are unacceptable to the committee, a majority of the minority party members may select other persons for appointment by the committee to the professional staff until such appointment

is made. Each professional staff member appointed under this subparagraph shall be assigned to such committee business as the minority party members of the committee consider advisable.

(3) The professional staff members of the committee—

(a) shall be appointed on a permanent basis, without regard to race, creed, sex, or age, and solely on the basis of fitness to perform the duties of their respective positions;

(b) shall not engage in any work other than committee business; and

(c) shall not be assigned any duties other than those pertaining to committee business.

(4) Services of the professional staff member of the committee may be terminated by majority vote of the committee.

(B)(1) The clerical staff of the full committee shall consist of not more than 12 clerks, to be attached to the office of the Chair, to the ranking minority party member, and to the professional staff, as the committee considers advisable. Subject to 2(B)(2) and 2(D) of this rule, the clerical staff shall be appointed by majority vote of the committee, without regard to race, creed, sex, or age. Except as provided by 2(B) of this rule, the clerical staff shall handle committee correspondence and stenographic work both for the committee staff and for the Chair and the ranking minority party member on matters related to committee work.

(2) Subject to 2(D) of this rule, whenever a majority of the minority party members of the committee so request, four persons may be selected, by majority vote of the minority party members, for appointment by the committee to positions on the clerical staff from among the number of clerks authorized by 2(B)(1) of this rule. The committee shall appoint to those positions any person so selected whose character and qualifications are acceptable to a majority of the committee. If the committee determines that the character and qualifications of any person so selected are unacceptable to the committee, a majority of the minority party members may select other persons for appointment by the committee to the position involved on the clerical staff until such appointment is made. Each clerk appointed under this subparagraph shall handle committee correspondence and stenographic work for the minority party members of the committee and for any members of the professional staff appointed under 2(A)(2) of this rule on matters related to committee work.

(3) Services of the clerical staff members of the full committee may be terminated by majority vote of the committee.

(C) Each employee on the professional staff, and each employee on the clerical staff, of the committee, is entitled to pay at a single per annum gross rate, to be fixed by the Chair, which does not exceed the highest rate of basic pay, as in effect from time to time, of level V of the Executive Schedule in section 5316 of title 5, United States Code, except that 2 professional staff members of the committee shall be entitled to pay at a single per annum gross rate to be fixed by the Chair, which does not exceed the highest rate of basic pay, as in effect from time to time, of level IV of the Executive Schedule, section 5315 of title 5, United States Code.

(D) If a request for the appointment of a minority professional staff member under paragraph (A), or a minority clerical staff member under paragraph (B), is made when no vacancy exists to which that appointment may be made, the committee nevertheless shall appoint, under paragraph (A) or para-

graph (B), as applicable, the person selected by the minority and acceptable to the committee. The person so appointed shall serve as an additional member of the professional staff or the clerical staff, as the case may be, of the committee, and shall be paid from the contingent fund, until such a vacancy (other than a vacancy in the position of head of the professional staff, by whatever title designated) occurs, at which time that person shall be deemed to have been appointed to that vacancy. If such vacancy occurs on the professional staff when seven or more persons have been so appointed who are eligible to fill that vacancy, a majority of the minority party members shall designate which of those persons shall fill that vacancy.

(E) Each staff member appointed pursuant to a request by minority party members under paragraph (A) or (B), and each staff member appointed to assist minority party members of a committee pursuant to an expense resolution, shall be accorded equitable treatment with respect to the fixing of his or her rate of pay, the assignment to him or her of work facilities, and the accessibility to him or her of committee records.

(F) Paragraphs (A) and (B) shall not be construed to authorize the appointment of additional professional or clerical staff members of the committee pursuant to a request under either of such paragraphs by the minority party members of that committee if six or more professional staff members or four or more clerical staff members provided for in paragraph (A)(1) or paragraph (B)(1) as the case may be, who are satisfactory to a majority of the minority party members, are otherwise assigned to assist the minority party members.

(G) Notwithstanding paragraphs (A)(2) and (B)(2), the committee may employ non-partisan staff, in lieu of or in addition to committee staff designated exclusively for the majority or minority party, upon an affirmative vote of a majority of the members of the minority party.

O. REFERRAL OF BILLS, RESOLUTIONS, AND OTHER MATTERS TO SUBCOMMITTEES

1. All the legislation and other matters referred to the committee shall be referred to the subcommittee of appropriate jurisdiction within 2 weeks unless, by majority vote of the majority members of the full committee, consideration is to be by the full committee. A bill, resolution, or other matter referred to a subcommittee in accordance with this rule may be recalled therefrom at any time by a vote of the majority members of the committee for the committee's direct consideration or for reference to another subcommittee. If the joint resolution of disapproval of a council act is introduced in the House during the first 15 legislative days of layover, the resolution shall be referred to the subcommittee of appropriate jurisdiction. If the joint resolution is introduced during the last 15 days of congressional layover, that matter shall be kept at the full committee level with such comments from the subcommittee as they may wish to give.

2. The Chair may refer a matter simultaneously to two or more subcommittees for concurrent consideration or for consideration in sequence (subject to appropriate time limitations in the case of any subcommittee after the first) or divide the matter into two or more parts (reflecting different subjects and jurisdictions) and refer each such part to a different subcommittee.

3. Should a subcommittee fail to report back to the full committee on any measure within a reasonable time, the Chair may withdraw the measure from such subcommit-

tee and report that fact to the full committee for further disposition.

P. SUBCOMMITTEES

1. The full committee shall determine an appropriate ratio of majority to minority members for each subcommittee and shall establish the number of subcommittees, shall fix the jurisdiction of each subcommittee, and shall determine the size of each subcommittee.

2. Additional legislative subcommittees may be established by a majority of those voting, a quorum being present, of the full committee.

3. Each member shall be given an equal number of subcommittee assignments insofar as practicable.

4. Bills shall be assigned to subcommittees in accordance with the subject matter of the subcommittees.

5. Any member of the full committee may have the privilege of sitting with any subcommittee during its hearings or deliberations and to participate but shall not have authority to vote on any matters before the subcommittee unless he or she is a member of such subcommittee.

6. Party representation on each subcommittee, including ex officio members, shall be not less favorable to the majority party than the ratio for the full committee.

Q. GENERAL OVERSIGHT RESPONSIBILITIES

The committee and each subcommittee shall review and study, on a continuing basis, the application, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of the committee or the subcommittee, respectively, and the organization and operation of the Federal and District agencies and entities have responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated. In addition, the committee and each subcommittee shall review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new or additional legislation within the jurisdiction of the committee or subcommittee, respectively (whether or not any bill or resolution has been introduced with respect thereto), and shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of the committee or subcommittee, respectively. Each subcommittee is required to conduct oversight in the area of the respective jurisdiction, to assist in carrying out the full committee's responsibilities under Rule X, cl. 2, of the House of Representatives. The establishment of an oversight subcommittee shall in no way limit the responsibility of the subcommittees with legislative jurisdiction from carrying out their oversight responsibilities.

R. ADDITIONAL FUNCTIONS

1. The committee and each subcommittee shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, insure that appropriations for continuing programs and activities of the Federal Government and the District of Columbia government will be made annually to the maximum extent feasible and consistent with the nature, requirements, and objectives of the programs and activities involved. For the purposes of this paragraph, a governmental agency includes the organizational

units of government listed in clause 7(c) of Rule XIII of the House of Representatives.

2. The committee and each subcommittee shall review, from time to time, each continuing program within its jurisdiction for which appropriations are not made annually in order to ascertain whether such program could be modified so that appropriations therefor would be made annually.

S. POINTS OF ORDER

No point of order, other than a point of order that a quorum is not present, against the hearings or business procedures of the committee shall be sustained unless it is made in a timely fashion (1) at the commencement of the hearing or meeting, or (2) at the time such point of order first occurs. Any point of order not raised in a timely manner in subcommittee shall not be sustained in full committee.

T. NOTICE OF MEETINGS AND AGENDA

1. The committee and each subcommittee shall make public announcement of the date, place and subject matter of any committee hearing at least one week before the commencement of the hearing. If the committee determines that there is good cause to begin the hearing sooner, it shall make the announcement at the earliest possible day. Any announcement made under the subparagraph shall be promptly published in the Daily Digest and given to the House Information Systems.

2. The agenda for all committee meetings, setting out all items of business to be considered, including a copy of any measure or a summary of any measure and of any subcommittee amendments, shall be furnished each committee member by delivery to his or her office at least 2 full calendar days (excluding Saturday, Sunday and legal holidays) before the meeting. This requirement may be waived by a two-thirds vote, a quorum being present, of the committee.

3. No bill or other matter shall be brought up for hearing or other consideration except with the approval of the Chair or by a majority of those voting, a quorum being present: *Provided, that* any member (other than the Chair) making the motion for consideration under this rule has given 2 days' notice in writing to all members of the committee.

U. AMENDING COMMITTEE BILLS

The committee rules may not be amended unless the member proposing the amendment gives 2 days' notice (excluding Saturday, Sunday and legal holidays) in writing of the text of the proposed change to all members.

V. OTHER PROCEDURES AND REGULATIONS

The Chair of the full committee may establish such other procedures and take such actions as may be necessary to carry out the foregoing rules or to facilitate the effective operation of the committee.

of 3 calendar days from the time the report is approved by the subcommittee and printed hearings thereon are available to the members, except that this rule may be waived by a majority vote of a quorum of the committee.

RULE 8. PUBLIC ANNOUNCEMENT OF HEARINGS AND MEETINGS

The full committee and subcommittee shall make public announcement of the date, place and subject matter of the full committee or subcommittee hearing at least one week before the commencement of the hearing. However, if the full committee or subcommittee determines that there is good cause to begin the hearing sooner, it shall make the announcement at the earliest possible date. Any announcement made under this rule shall be promptly published in the Daily Digest and promptly entered into the committee scheduling service of the House Information Systems.

RULE 9. MEETINGS, AND HEARINGS OPEN TO THE PUBLIC

(a) Each committee or subcommittee meeting for the transaction of business, including the markup of legislation shall be open to the public except when the committee or subcommittee, in open session and with a majority being present, determines by rollcall vote that all or part of the remainder of the meeting on that day shall be closed to the public: *Provided, however,* That no person other than members of the committee and/or subcommittee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This paragraph does not apply to open committee hearings which are provided for by paragraph (b) of this rule, or any meeting that relates solely to internal budget or personnel matters.

(b) Each hearing conducted by the full committee or subcommittee shall be open to the public except when the full committee or subcommittee, in open session and with a majority present, determines by rollcall vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security or would violate any law or rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, a majority of those present, there being in attendance no less than two members of the committee or subcommittee, may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, or would tend to defame, degrade, or incriminate any person. If the decision is to close for national security reasons, the vote must be by rollcall vote and in open session, there being a majority of the committee or subcommittee present. Otherwise, if the decision is to close because the testimony may tend to defame, degrade, or incriminate any person, the vote may be by a majority of those present, there being in attendance no less than two members of the committee or subcommittee. However, if the committee or subcommittee elects to receive such testimony in open session, it may do so only if a majority of the members of the committee or subcommittee, a majority being present, determine that such evidence or testimony will not tend to defame, degrade, or incriminate any person. No member may be excluded from nonparticipatory attendance at any hearing of the full committee or sub-

committee, unless the House of Representatives shall by majority vote authorize the full committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to members by the same procedures designated in this rule for closing hearings to the public: *Provided, however*, That the full committee or the subcommittee may by the same procedure vote to close up to 5 additional consecutive days of hearings.

(c) Notwithstanding the foregoing, and with the approval of the committee chairman, each member of the committee may designate by letter to the Chairman, a member of his or her personal staff with Top Secret security clearance to attend hearings of the committee, or that member's subcommittee(s) which have been closed under the provisions of rule 9(b) above for national security purposes for the taking of testimony: *Provided*, That such staff member's attendance at such hearings is subject to the approval of the committee or subcommittee as dictated by national security requirements at the time: *Provided further*, That this paragraph addresses hearings only and not briefings or meetings held under the provisions of paragraph (a) of this rule; and *Provided further*, That the attainment of any security clearances involved is the responsibility of individual members.

RULE 10. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

(a) In accordance with the provision of rule XI, clause 3, Rules of the House of Representatives, it is the purpose of this rule to provide a means, in conformity with acceptable standards of dignity, propriety, and decorum, by which committee or subcommittee hearings or meetings, which are open to the public, may be covered by television broadcast, radio broadcast, and still photography, or by any such methods of coverage. In that regard, the provisions of rule XI, clause 3(a)(d) are specifically incorporated herein by reference.

(b) The chairman of the full committee or the chairmen of the subcommittees are authorized to determine on behalf of the full committee or its subcommittees respectively whether hearings or meetings which are open may be broadcast, unless the committee or its subcommittees respectively by majority vote determine otherwise: *Provided*, however, Each committee or subcommittee chairman shall determine, in his discretion, the number of television and still cameras permitted in a hearing or meeting room.

(c) In accordance with rule XI, clause 3(f), the following provisions shall apply to the broadcasting of committee or subcommittee hearings or meetings which are open to the public:

(1) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(2) No witness served with a subpoena by the committee shall be required against his or her will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This subparagraph is supplementary to clause 2(k)(5) of rule XI of the Rules of the House of Representatives, relating to the protection of the rights of witnesses.

(3) The allocation among the television media of the positions of the number of television cameras permitted by a committee or subcommittee chairman in a hearing room shall be in accordance with fair and equitable procedures devised by the executive committee of the Radio and Television Correspondents' Galleries.

(4) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the committee or its subcommittees or the visibility of that witness and that member to each other.

(5) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(6) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee or subcommittee is in session.

(7) Floodlights, spotlight, strobolights, and flashguns shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing room, without cost to the Government, in order to raise the ambient lighting level in the hearing or meeting room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the then current state of the art of television coverage.

(8) In the allocation of the number of still photographers permitted by a committee or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If requests are made by more of the media than will be permitted by a committee or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee on Press Photographers.

(9) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the members of the committee or its subcommittees.

(10) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(11) Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents' Galleries.

(12) Personnel providing coverage by still photography shall be then currently accredited to the Press Photographers' Gallery.

(13) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobstructive manner.

(14) With the exception of devices properly used by official reporters and by accredited media and broadcast personnel as covered in these rules, no recording or camera type devices may be operated or otherwise used during committee or subcommittee hearings.

RULE 11. QUORUM

A majority of the full committee or subcommittee shall constitute a quorum for reporting or tabling a measure or recommendation. A quorum for the purpose of taking testimony and receiving evidence by either the full committee or any subcommittee shall be not less than two. A quorum for

taking any other action shall be not less than one-third of the members of the full committee or subcommittee, unless otherwise indicated in the committee rules.

RULE 12. THE FIVE-MINUTE RULE

(a) The time any one member may address the committee or subcommittee on any bill, motion or other matter under consideration shall not exceed 5 minutes and then only when the member has been recognized by the chairman, except that this time limit may be exceeded by unanimous consent. Any member, upon request, shall be recognized for not to exceed 5 minutes to address the committee or subcommittee on behalf of an amendment which the member has offered to any pending bill or resolution.

(b) Members present at a meeting of the committee or subcommittee when a meeting is originally convened will be recognized by the chairman in order of seniority. Those members arriving subsequently will be recognized in order of their arrival. Notwithstanding the foregoing, the chairman and the ranking minority member will take precedence upon their arrival. In recognizing members to question witnesses in this fashion, the chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority.

RULE 13. SUBPOENA AUTHORITY

The full committee, and all subcommittees, may require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents as it deems necessary. Any such subpoena may be authorized and issued by the committee, or subcommittee, in the conduct of any investigation or a series of investigations or activities, only when authorized by a majority of members voting, a majority being present. The power to authorize and issue subpoenas under this rule may be delegated to the chairman of the committee pursuant to such rules and under such limitations as the committee may prescribe. Authorized subpoenas shall be signed by the chairman of the committee or any member designated by the committee.

RULE 14. WITNESS STATEMENTS

(a) Any prepared statement to be presented by a witness to the committee or a subcommittee shall be submitted to the committee at least 48 hours in advance of presentation and shall be distributed to all members of the committee or subcommittee at least 24 hours in advance of delivery. If a prepared statement contains security information bearing a classification of secret or higher, the statement shall be made available in the committee rooms to all members of the committee at least 24 hours in advance of delivery; however, no such statement shall be removed from the committee offices. The requirement of this rule may be waived by a majority vote of the full committee or any subcommittee, a quorum being present.

(b) The full committee and each subcommittee shall, insofar as is practicable, require each witness who is to appear before it to file with the committee (in advance of his or her appearance) a written statement of the proposed testimony and to limit the oral presentation at such appearance to a brief summary of his or her argument.

RULE 15. ADMINISTERING OATHS TO WITNESSES

The chairman of the committee, or any member designated by the chairman, may administer oaths to any witnesses.

RULE 16. QUESTIONING OF WITNESSES

(a) When a witness is before the committee or subcommittee, members of the committee or subcommittee may put questions to the witness only when they have been recognized by the chairman for that purpose.

(b) Members of the committee or subcommittee who so desire shall have not to exceed 5 minutes to interrogate each witness until such time as each member has had an opportunity to interrogate such witness; thereafter, additional time for questioning witnesses by members is discretionary with the chairman.

(c) Questions put to witnesses before the committee or subcommittee shall be pertinent to the bill or other subject matter that may be before the committee or subcommittee for consideration.

RULE 17. VOTING AND ROLLCALLS

(a) Except as otherwise provided in these rules voting on a measure or matter may be by rollcall vote, division vote, voice vote, or unanimous consent.

(c) A rollcall of the members may be had upon the request of five or more members present, or in the case of subcommittees, on the request of one-fifth of a majority.

RULE 18. PROXY VOTE

A member may vote by special proxy, which must be in writing, shall assert that the member is absent on official business or is otherwise unable to be present at the meeting of the committee, shall designate the person who is to execute the proxy authorization, and shall be limited to a specific measure or matter and any amendments or motions pertaining thereto. A member may authorize a general proxy only for motions to recess, adjourn or other procedural matters. Each proxy to be effective shall be signed by the member assigning his or her vote and shall contain the date and time of day that the proxy is signed. Proxies may not be counted for a quorum. A proxy may be used in full committee or subcommittee. All proxies must be filed with the staff director and be available for inspection at any time.

RULE 19. PRIVATE BILLS

No private bill will be reported by the committee if there are two or more dissenting votes. Private bills so rejected by the committee will not be reconsidered during the same Congress unless new evidence sufficient to justify a new hearing has been presented to the Congress.

RULE 20. SUPPLEMENTAL, MINORITY, ADDITIONAL OR DISSENTING VIEWS

If, at the time of approval of any measure or matter by the committee, any member of the committee gives timely notice of intention to file supplemental, minority, additional or dissenting views, that member shall be entitled to not less than 3 calendar days (excluding Saturdays, Sundays, and legal holidays) in which to file such views, in writing and signed by that member, with the staff director of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter.

RULE 21. POINTS OF ORDER

No point of order shall lie with respect to any measure reported by the full committee

or any subcommittee on the ground that hearings on such measure were not conducted in accordance with the provisions of the committee rules; except that a point of order on that ground may be made by any member of the full committee or subcommittee which reported the measure if, in the full committee or subcommittee, such point of order was (a) timely made and (b) improperly overruled or not properly considered.

RULE 22. PUBLIC INSPECTION OF COMMITTEE ROLLCALLS

(a) The result of each rollcall in any meeting of the committee shall be made available by the committee for inspection by the public at reasonable times in the offices of the committee. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and whether by proxy or in person, and the names of those members present but not voting. With respect to each record vote by the committee on each motion to report any bill or resolution of public character, the total number of votes cast for, and the total number of votes cast against, the reporting of such bill or resolution shall be included in the committee report.

(b) In the event of such a rollcall vote or votes, when a member is in attendance at any other committee, subcommittee, or conference committee meeting during that time, that circumstance shall be so recorded in the rollcall record, upon timely notification to the chairman from that member.

RULE 23. PROTECTION OF NATIONAL SECURITY INFORMATION

(a) All national security information bearing a classification of secret or higher which has been received by the committee or a subcommittee shall be deemed to have been received in executive session and shall be given appropriate safekeeping.

(b) The chairman of the full committee shall, with the approval of the full committee, establish such procedures as in his judgment may be necessary to prevent the unauthorized disclosure of any national security information received, classified as secret or higher. RULES OF PROCEDURE FOR COMMITTEE ON VETERANS' AFFAIRS FOR THE 102D CONGRESS

(Mr. MONTGOMERY asked and was given permission to extend his remarks at this point in the RECORD and to include extraneous matter.)

Mr. MONTGOMERY. Mr. Speaker, pursuant to the requirement of clause 2(a) of rule XI of the Rules of the House of Representatives, I hereby submit the rules of the Committee on Veterans' Affairs for the 102d Congress and ask that they be printed in the RECORD at this point. The rules were adopted by the committee in open session on February 7, 1991:

COMMITTEE RULES OF PROCEDURE OF THE 102D CONGRESS

(Adopted February 7, 1991)

RULE I—GENERAL PROVISIONS

The Rules of the House are the rules of the committee and subcommittees so far as applicable, except that a motion to recess from day to day is a motion of high privilege in committees and subcommittees. Each subcommittee of the committee is a part of the committee, and is subject to the authority and direction of the committee and to its rules so far as applicable.

RULE II—MEETINGS

(a) The regular meeting day for the full committee shall be at 10 a.m. on the second Tuesday of each month, and at such other times and in such places as the chairman may designate; however, a regular Tuesday meeting of the committee may be dispensed with by the chairman.

(b) The chairman may call and convene, as he considers necessary, additional meetings of the committee for the consideration of any bill or resolution pending before the committee or for the conduct of other committee business. The committee shall meet for such purpose pursuant to the call of the chairman.

(c)(1) Each meeting for the transaction of business, including the markup of legislation, of the committee or each subcommittee thereto shall be open to the public except when the committee or subcommittee, in open session and with a quorum present, determines by rollcall vote that all or part of the remainder of the meeting on that day shall be closed to the public: *Provided, however*, That no person other than members of the committee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This paragraph does not apply to subparagraph (2) of this paragraph, or to any meeting that relates solely to internal budget or personnel matters.

(2) Each hearing conducted by the committee or each subcommittee thereof shall be open to the public except when the committee or subcommittee, in open session and with a quorum present, determines by rollcall vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security or would violate any law or rule of the House of Representatives: *Provided, however*, That the committee or subcommittee may by the

same procedure vote to close one subsequent day of hearing.

RULE III—RECORDS AND ROLLCALLS

(a) There shall be kept in writing a record of the proceedings of the committee and of each subcommittee, including a record of the votes on any question on which a roll call is demanded. The result of each such roll call vote shall be made available by the committee for inspection by the public at reasonable times in the offices of the committee. Information so available for public inspection shall include a description of the amendment, motion, order or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting. A record vote may be demanded by one-fifth of the members present or in the apparent absence of a quorum, by any one member. With respect to each record vote by the committee to report any bill or resolution, the total number of votes cast for and the total number of votes cast against the reporting of such bill or such resolution shall be included in the committee report.

(b) The records of the committee at the National Archives and Records Administration shall be made available for public use in accordance with rule XXXVI of the Rules of the House of Representatives. The chairman shall notify the ranking minority member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the rule, to withhold a record otherwise available, and the matter shall be presented to the committee for a determination on the written request of any member of the committee.

In the latter event, the chairman or the subcommittee chairman, whichever the case may be, shall make such public announcement at the earliest possible date. The clerk of the committee shall promptly notify the Daily Clerk of the Congressional Record as soon as possible after such public announcement is made.

(d) All other members of the committee may have the privilege of sitting with any subcommittee during its hearing or deliberations and may participate in such hearings or deliberations but no such member who is not a member of the subcommittee shall vote on any matter before such subcommittee.

(e) Committee members may question witnesses only when they have been recognized by the chairman for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one member can be extended only with the unanimous consent of all members present. The questioning of witnesses in both full and subcommittee hearings shall be initiated by the chairman, followed by the ranking minority party member and all other members alternating between the majority and minority. In recognizing members to question witnesses in this fashion, the chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority.

RULE VI—OVERSIGHT

(a) In order to assist the House in:

(1) Its analysis, appraisal, evaluation of (A) the application, administration, execution, and effectiveness of the laws enacted by the Congress, or (B) conditions and circumstances which may indicate the necessity or desirability of enacting new or additional legislation, and

(2) Its formulation, consideration and enactment of such modifications or changes in those laws, and of such additional legislation, as may be necessary or appropriate, the various subcommittees, consistent with their jurisdiction as set forth in Rule VIII, shall have oversight responsibilities as provided in paragraph (b).

(b) Each subcommittee shall review and study, on a continuing basis, the applications, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of that subcommittee, and the organization and operation of the Federal agencies and entities having responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated.

In addition, each such subcommittee shall review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new or additional legislation within the jurisdiction of that subcommittee (whether or not any bill or resolution has been introduced with respect thereto), and shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of that subcommittee.

(c) Each subcommittee shall review and study on a continuing basis the impact or probable impact of tax policies affecting subjects within its jurisdictions.

RULE VII—BROADCASTING OF COMMITTEE HEARINGS

Broadcasting, either by radio or TV of all open committee hearings and meetings shall

be permitted when, in the judgment of the chairman, in consultation with the ranking minority member, such action is warranted. Photographs shall be permitted during hearings of the full committee and subcommittees as the chairman decides.

All coverage shall be subject to the following provisions:

(1) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

The requirement of this rule may be waived, in whole or in part, by the chairman, without objection, or pursuant to a motion duly adopted.

IDENTIFICATION NUMBER

Is this an Amendment?

☐ YES ☐ NO

NOTE on ITEM "A".—(a) IN GENERAL. This "Report" form may be used by either an organization or an individual, as follows:

(i) "Employee".—To file as an "employee", state (in Item "B") the name, address, and nature of business of the "employer". (If the "employee" is a firm [such as a law firm or public relations firm], partners and salaried staff members of such firm may join in filing a Report as an "employee".)

(ii) "Employer".—To file as an "employer", write "None" in answer to Item "B".

(b) SEPARATE REPORTS. An agent or employee should not attempt to combine his Report with the employer's Report:

(i) Employers subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their agents or employees.

(ii) Employees subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their employers.

A. ORGANIZATION OR INDIVIDUAL FILING:

1. State name, address, and nature of business.

2. If this Report is for an Employer, list names of agents or employees who will file Reports for this Quarter.

☐ CHECK IF ADDRESS IS DIFFERENT THAN PREVIOUSLY REPORTED

NOTE on ITEM "B".—Reports by Agents or Employees. An employee is to file, each quarter, as many Reports as he has employers, except that: (a) If a particular undertaking is jointly financed by a group of employers, the group is to be considered as one employer, but all members of the group are to be named, and the contribution of each member is to be specified; (b) if the work is done in the interest of one person but payment therefor is made by another, a single Report—naming both persons as "employers"—is to be filed each quarter.

B. EMPLOYER—State name, address, and nature of business. If there is no employer, write "None."

NOTE on ITEM "C".—(a) The expression "in connection with legislative interests," as used in this Report, means "in connection with attempting, directly or indirectly, to influence the passage or defeat of legislation." "The term 'legislation' means bills, resolutions, amendments, nominations, and other matters pending or proposed in either House of Congress, and includes any other matter which may be the subject of action by either House"—§ 302(e).

(b) Before undertaking any activities in connection with legislative interests, organizations and individuals subject to the Lobbying Act are required to file a "Preliminary" Report (Registration).

(c) After beginning such activities, they must file a "Quarterly" Report at the end of each calendar quarter in which they have either received or expended anything of value in connection with legislative interests.

C. LEGISLATIVE INTERESTS, AND PUBLICATIONS in connection therewith:

1. State approximately how long legislative interests are to continue. If receipts and expenditures in connection with legislative interests have terminated, place an X in the box at the left, so that this office will no longer expect to receive Reports.

2. State the general legislative interests of the person filing and set forth the specific legislative interests by reciting: (a) Short titles of statutes and bills; (b) House and Senate numbers of bills, where known; (c) citations of statutes, where known; (d) whether for or against such statutes and bills.

3. In the case of those publications which the person filing has caused to be issued or distributed in connection with legislative interests, set forth: (a) description, (b) quantity distributed, (c) date of distribution, (d) name of printer or publisher (if publications were paid for by person filing) or name of donor (if publications were received as a gift).

(Answer items 1, 2, and 3 in the space below. Attach additional pages if more space is needed.)

4. If this is a "Preliminary" Report (Registration) rather than a "Quarterly" Report, state below what the nature and amount of anticipated expenses will be; and, if for an agent or employee, state also what the daily, monthly, or annual rate of compensation is to be. If this is a "Quarterly" Report, disregard this item "C4" and fill out items "D" and "E" on the back of this page. Do not attempt to combine a "Preliminary" Report (Registration) with a "Quarterly" Report."♦

☐ YES ☐ NO

NOTE on ITEM "A".—(a) IN GENERAL. This "Report" form may be used by either an organization or an individual, as follows:

- (i) "Employee".—To file as an "employee", state (in Item "B") the name, address, and nature of business of the "employer". (If the "employee" is a firm [such as a law firm or public relations firm], partners and salaried staff members of such firm may join in filing a Report as an "employee".)
- (ii) "Employer".—To file as an "employer", write "None" in answer to Item "B".
- (b) SEPARATE REPORTS. An agent or employee should not attempt to combine his Report with the employer's Report:
 - (i) Employers subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their agents or employees.
 - (ii) Employees subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their employers.

A. ORGANIZATION OR INDIVIDUAL FILING:

2. If this Report is for an Employer, list names of agents or employees who will file Reports for this Quarter.

1. State name, address, and nature of business.

☐ CHECK IF ADDRESS IS DIFFERENT THAN PREVIOUSLY REPORTED

NOTE on ITEM "B".—Reports by Agents or Employees. An employee is to file, each quarter, as many Reports as he has employers, except that: (a) If a particular undertaking is jointly financed by a group of employers, the group is to be considered as one employer, but all members of the group are to be named, and the contribution of each member is to be specified; (b) if the work is done in the interest of one person but payment therefor is made by another, a single Report—naming both persons as "employers"—is to be filed each quarter.

B. EMPLOYER—State name, address, and nature of business. If there is no employer, write "None."

NOTE on ITEM "C".—(a) The expression "in connection with legislative interests," as used in this Report, means "in connection with attempting, directly or indirectly, to influence the passage or defeat of legislation." "The term 'legislation' means bills, resolutions, amendments, nominations, and other matters pending or proposed in either House of Congress, and includes any other matter which may be the subject of action by either House"—§ 302(e).

(b) Before undertaking any activities in connection with legislative interests, organizations and individuals subject to the Lobbying Act are required to file a "Preliminary" Report (Registration).

(c) After beginning such activities, they must file a "Quarterly" Report at the end of each calendar quarter in which they have either received or expended anything of value in connection with legislative interests.

C. LEGISLATIVE INTERESTS, AND PUBLICATIONS in connection therewith:

1. State approximately how long legislative interests are to continue. If receipts and expenditures in connection with legislative interests have

terminated, place an "X" in the box at the left, so that this Office will no longer expect to receive Reports. (Answer items 1, 2, and 3 in the space below. Attach additional pages if more space is needed.)

2. State the general legislative interests of the person filing and set forth the specific legislative interests by reciting: (a) Short titles of statutes and bills; (b) House and Senate numbers of bills, where known; (c) citations of statutes, where known; (d) whether for or against such statutes and bills.

3. In the case of those publications which the person filing has caused to be issued or distributed in connection with legislative interests, set forth: (a) description, (b) quantity distributed, (c) date of distribution, (d) name of printer or publisher (if publications were paid for by person filing) or name of donor (if publications were received as a gift).

4. If this is a "Preliminary" Report (Registration) rather than a "Quarterly" Report, state below what the nature and amount of anticipated expenses will be; and, if for an agent or employee, state also what the daily, monthly, or annual rate of compensation is to be. If this is a "Quarterly" Report, disregard this item "C4" and fill out items "D" and "E" on the back of this page. Do not attempt to combine a "Preliminary" Report (Registration) with a "Quarterly" Report.♦

STATEMENT OF VERIFICATION

[Omitted in printing]

PAGE 1 ♦

NOTE on ITEM "D."—(a) IN GENERAL. The term "contribution" includes *anything of value*. When an organization or individual uses printed or duplicated matter in a campaign attempting to influence legislation, money received by such organization or individual—for such printed or duplicated matter—is a "contribution." "The term 'contribution' includes a gift, subscription, loan, advance, or deposit of money, or anything of value, and includes a contract, promise, or agreement, whether or not legally enforceable, to make a contribution"—§ 302(a) of the Lobbying Act.

(b) IF THIS REPORT IS FOR AN EMPLOYER.—(i) *In general.* Item "D" is designed for the reporting of all receipts from which expenditures are made, or will be made, in connection with legislative interests.

(ii) *Receipts of Business Firms and Individuals.*—A business firm (or individual) which is subject to the Lobbying Act by reason of expenditures which it makes in attempting to influence legislation—but which has no funds to expend except those which are available in the ordinary course of operating a business not connected in any way with the influencing of legislation—will have no receipts to report, even though it does have expenditures to report.

(iii) *Receipts of Multi-purpose Organizations.*—Some organizations do not receive any funds which are to be expended solely for the purpose of attempting to influence legislation. Such organizations make such expenditures out of a general fund raised by dues, assessments, or other contributions. The percentage of the general fund which is used for such expenditures indicates the percentage of dues, assessments, or other contributions which may be considered to have been paid for that purpose. Therefore, in reporting receipts, such organizations may specify what that percentage is, and report their dues, assessments, and other contributions on that basis. However, each contributor of \$500 or more is to be listed, regardless of whether the contribution was made solely for legislative purposes.

(c) IF THIS REPORT IS FOR AN AGENT OR EMPLOYEE.—(i) *In general.* In the case of many employees, all receipts will come under Items "D 5" (received for services) and "D 12" (expense money and reimbursements). In the absence of a clear statement to the contrary, it will be presumed that your employer is to reimburse you for all expenditures which you make in connection with legislative interests.

(ii) *Employer as Contributor of \$500 or More.*—When your contribution from your employer (in the form of salary, fee, etc.) amounts to \$500 or more, it is not necessary to report such contribution under "D 13" and "D 14," since the amount has already been reported under "D 5," and the name of the "employer" has been given under Item "B" on page 1 of this report.

(Mark one square only)

IDENTIFICATION NUMBER

Is this an Amendment?
☐ YES ☐ NO

NOTE ON ITEM "A".—(a) IN GENERAL. This "Report" form may be used by either an organization or an individual, as follows:

- (i) "Employee".—To file as an "employee", state (in Item "B") the name, address, and nature of business of the "employer". (If the "employee" is a firm [such as a law firm or public relations firm], partners and salaried staff members of such firm may join in filing a Report as an "employee".)
- (ii) "Employer".—To file as an "employer", write "None" in answer to Item "B".

(b) SEPARATE REPORTS. An agent or employee should not attempt to combine his Report with the employer's Report:

- (i) Employees subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their agents or employees.
- (ii) Employees subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their employers.

A. ORGANIZATION OR INDIVIDUAL FILING:

1. State name, address, and nature of business.

2. If this Report is for an Employer, list names of agents or employees who will file Reports for this Quarter.

☐ CHECK IF ADDRESS IS DIFFERENT THAN PREVIOUSLY REPORTED

NOTE ON ITEM "B".—*Reports by Agents or Employees.* An employee is to file, each quarter, as many Reports as he has employers, except that: (a) If a particular undertaking is jointly financed by a group of employers, the group is to be considered as one employer, but all members of the group are to be named, and the contribution of each member is to be specified; (b) if the work is done in the interest of one person but payment therefor is made by another, a single Report—naming both persons as "employers"—is to be filed each quarter.

B. EMPLOYER—State name, address, and nature of business. If there is no employer, write "None."

NOTE ON ITEM "C".—(a) The expression "in connection with legislative interests," as used in this Report, means "in connection with attempting, directly or indirectly, to influence the passage or defeat of legislation." "The term 'legislation' means bills, resolutions, amendments, nominations, and other matters pending or proposed in either House of Congress, and includes any other matter which may be the subject of action by either House"—§ 302(e).

(b) Before undertaking any activities in connection with legislative interests, organizations and individuals subject to the Lobbying Act are required to file a "Preliminary" Report (Registration).

(c) After beginning such activities, they must file a "Quarterly" Report at the end of each calendar quarter in which they have either received or expended anything of value in connection with legislative interests.

C. LEGISLATIVE INTERESTS, AND PUBLICATIONS in connection therewith:

1. State approximately how long legislative interests are to continue. If receipts and expenditures in connection with legislative interests have terminated,

☐ place an "X" in the box at the left, so that this Office will no longer expect to receive Reports.

2. State the general legislative interests of the person filing and set forth the specific legislative interests by reciting: (a) Short titles of statutes and bills; (b) House and Senate numbers of bills, where known; (c) citations of statutes, where known; (d) whether for or against such statutes and bills.

3. In the case of those publications which the person filing has caused to be issued or distributed in connection with legislative interests, set forth: (a) description, (b) quantity distributed, (c) date of distribution, (d) name of printer or publisher (if publications were paid for by person filing) or name of donor (if publications were received as a gift).

(Answer items 1, 2, and 3 in the space below. Attach additional pages if more space is needed.)

4. If this is a "Preliminary" Report (Registration) rather than a "Quarterly" Report, state below what the nature and amount of anticipated expenses will be; and, if for an agent or employee, state also what the daily, monthly, or annual rate of compensation is to be. If this is a "Quarterly" Report, disregard this item "C4" and fill out items "D" and "E" on the back of this page. Do not attempt to combine a "Preliminary" Report (Registration) with a "Quarterly" Report."

STATEMENT OF VERIFICATION

[Omitted in printing]

NOTE on ITEM "D."—(a) IN GENERAL. The term "contribution" includes anything of value. When an organization or individual uses printed or duplicated matter in a campaign attempting to influence legislation, money received by such organization or individual—for such printed or duplicated matter—is a "contribution." "The term 'contribution' includes a gift, subscription, loan, advance, or deposit of money, or anything of value, and includes a contract, promise, or agreement, whether or not legally enforceable, to make a contribution"—§ 302(a) of the Lobbying Act.

(b) IF THIS REPORT IS FOR AN EMPLOYER.—(i) In general. Item "D" is designed for the reporting of all receipts from which expenditures are made, or will be made, in connection with legislative interests.

(ii) Receipts of Business Firms and Individuals.—A business firm (or individual) which is subject to the Lobbying Act by reason of expenditures which it makes in attempting to influence legislation—but which has no funds to expend except those which are available in the ordinary course of operating a business not connected in any way with the influencing of legislation—will have no receipts to report, even though it does have expenditures to report.

(iii) Receipts of Multi-purpose Organizations.—Some organizations do not receive any funds which are to be expended solely for the purpose of attempting to influence legislation. Such organizations make such expenditures out of a general fund raised by dues, assessments, or other contributions. The percentage of the general fund which is used for such expenditures indicates the percentage of dues, assessments, or other contributions which may be considered to have been paid for that purpose. Therefore, in reporting receipts, such organizations may specify what that percentage is, and report their dues, assessments, and other contributions on that basis. However, each contributor of \$500 or more is to be listed, regardless of whether the contribution was made solely for legislative purposes.

(c) IF THIS REPORT IS FOR AN AGENT OR EMPLOYEE.—(i) In general. In the case of many employees, all receipts will come under Items "D 5" (received for services) and "D 12" (expense money and reimbursements). In the absence of a clear statement to the contrary, it will be presumed that your employer is to reimburse you for all expenditures which you make in connection with legislative interests.

(ii) Employer as Contributor of \$500 or More.—When your contribution from your employer (in the form of salary, fee, etc.) amounts to \$500 or more, it is not necessary to report such contribution under "D 13" and "D 14," since the amount has already been reported under "D 5," and the name of the "employer" has been given under Item "B" on page 1 of this report.
